Heine Groh Day Celebrated When the Captain of the Champions Is Well Remembered.

Cincinnati, Sept. 18 .- The new champions of the National league won from Brooklyn today, 2 to 0. It was a pitcher's battle between Eller and Cadore in which the former had only slightly the better of it. The Reds scored their two runs in the seventh inning on Duncan's double, Kopf's single and stolen base, a wild throw by Krueger and an infield hit by Neale. John ston had a big day at the bat with

a single, a double and a triple.

It was Heine Groh day and the captain of the Cincinnati club was presented with a hall clock, a silver bowl from his bowling team, a wrist watch and a diamond stick pin. Schreiber, a recruit, refused to put on a uniform because he was not alloted a full share of the world's series receipts. At a meeting of the Cincinnati players this morning it was voted that every man on the team should receive a full share except Duncan, Schreiber and See, who have been with the team only about a month. These three were voted half a share each. Score:

R. H. E. Butteries: Cadore and Krueger; Eller and Wingo.
