

BELIEVE JEWISH FUND NOW UP TO \$80,000 MARK

Of This the Jewish Have
Given \$60,000—Circular
Letters Sent to County
Doctors.

Though no definite reports were received last night from the scores of "teams" of canvassers for the \$175,000 Omaha portion of the fund to relieve the starving Jews of Europe, the leaders declared they believed the fund has reached the

\$80,000 mark. Of this the Jews have given approximately \$60,000.

A number of non-Jews have made handsome contributions also. No house-to-house canvass will be made and no wage-earners will be asked for contributions.

Indications yesterday at headquarters now are that not more than \$100,000 of the fund will be in hand by the end of this week when the drive was scheduled to end. The work will go right on until the total quota is in hand.

Circular letters have been sent out to doctors by the Omaha-Douglas County Medical society, appealing to men of the profession to contribute.

Copies of a letter written by Herbert Hoover to Nathan Strauss have been received, the letter commending the present drive, emphasizing the great need for succor to the Jews of Europe and lauding the non-sectarian spirit of the present campaign.

HOLD SUSPECTED ROBBERS NOW ON ASSAULT CHARGE

Girls Allege They Were
Kept Three Days
in Room.

Following the arrest of Carl Walters, 416 North Sixteenth street, and Verne Cottrell, 2217 California street, on a charge of attempted robbery of the Nathan grocery, Seventeenth and Chicago streets, two 15-year-old girls, Clara Marie Smith, 3866 Dodge street, and Irene Klossner, Eighteenth and Webster streets, identified both men as having kept them prisoners in a room in the Chicago rooming house, Sixteenth and Chicago streets, for three days and nights.

Upon testimony of the girls, to-

gether with the men's confessions that they had been with the girls, Chief of Detectives Dunn filed complaints of criminal assault against Walters and Cottrell.

Both girls disappeared from their homes last Tuesday night. Their parents sought the aid of police and descriptions of the girls were sent to neighboring cities. The girls told the chief of detectives that they met Walters and Cottrell on the downtown streets the night of their disappearance.

"They took us to a room at Sixteenth and Chicago streets and kept us prisoners for three days," the Klossner girl told the police.

It was through a personal investigation conducted by Homer Smith, father of one of the girls, that they were traced to Walters' room.

Walters and Cottrell were arrested Thursday charged with attempted robbery of the Nathan grocery, Seventeenth and Chicago streets, the night before. Detectives found a gun on Walters.

Dr. Frederick J. Wearne Sued for Divorce on Cruelty Charge

Mrs. Mary Wearne, who filed suit yesterday in district court for a divorce charging extreme cruelty against Dr. Frederick J. Wearne, prominent physician and surgeon.

Wife of Prominent Omaha
Physician, Surgeon and
Capitalist, Says He
Abused Her.

Dr. Frederick J. Wearne, prominent physician and surgeon, was sued for divorce yesterday in district court by his wife, Mrs. Mary Wearne, on charges of extreme cruelty.

Dr. Wearne, besides his prominence in medical circles, is a capitalist. He is vice president of the Bankers Realty investment company, and president of Maynor Brothers foundry, 1409 Jackson street.

His offices are at 830 City National bank building. He is associated with Dr. J. E. Lord and is a surgeon at the Lord Lister and the Ford hospitals.

Mrs. Wearne charges that her husband, "some time after their marriage, being of a vile disposition and having a violent temper, became abusive, continually complaining of the plaintiff without just cause."

She says he cursed her. On one occasion, in June, 1917, she alleges he cursed at her in public in the presence and hearing of their friends, wounding her feelings and causing her mortification and shame.

She says this alleged conduct so undermined her health that she was compelled to go to California for a rest on account of her nervous condition.

She says that after a year and a half in California, she returned to Dr. Wearne, but that he continued as before and that she found it impossible to live with him. She alleges that his extreme cruelty, angry words, exhibitions of violent temper and profane language have made married life with him intolerable.

She says she suffers constantly

and that to continue longer to live with him will make her a nervous wreck.

She asks to have her maiden name, Babcock, restored to her.

Married in 1908.

They were married August 19, 1908. Mrs. Wearne, prior to her marriage to the doctor, was Mrs. Fannie Mary Fries, according to the marriage license.

The ceremony was performed by Rev. Edwin Hart Jenks, pastor of the First Presbyterian church. Dr. and Mrs. Wearne have no children.

Dr. Wearne is living at the Blackstone hotel with his mother. Mrs. Wearne is at the home of her parents, Mr. and Mrs. W. S. Babcock, 3311 Hamilton street.

This is the second divorce suit filed against a prominent Omaha physician in the last two weeks. The other was the suit of Sophia Helene McDermott against Dr. Bernard A. McDermott, filed 10 days ago.

Neither Dr. Wearne nor his wife would say anything about the suit today. Determined efforts were made to keep the news of it out of the papers.

Zimman and Mayor Differ on Legality of Raise for Firemen

A difference of opinion exists among city officials as to whether the 1919 state session laws authorize the city council to increase the pay of city firemen beyond the present salary of \$125 per month.

Commissioner Zimman, in charge of the fire department, holds the view that a state statute gives the city council such power, and Mayor Smith contends that the city will have to go to the legislature again to legally get an increase.

The firemen ask for an increase from \$125 to \$150 per month. There is no money now available for that purpose, but Mr. Zimman told the men that when the 1920 budget is considered the matter will be given due attention.

Grocers Will Discontinue Two Hours Sunday Opening

Grocers will discontinue two hours Sunday mornings, because the summer season is over and the need for the Sunday morning opening has passed. The mayor, during the early summer, issued an order suspending the Sunday closing ordinance for two hours each Sunday morning, to enable citizens to buy milk and other food products which must be kept on ice. The mayor's order has ceased to be operative for this season.

May Lose Leg for Gallantry.

Alfred E. Ogden, who was shot in the left hip and stomach Wednesday night during an argument over a girl with Tom Zeas, proprietor of a candy kitchen at 1511 Capitol avenue, may lose his left leg, attending physicians at the Lister hospital say. Robert Ogden, brother of Eugene, was discharged from the hospital, his injuries on the head having been slight. Their assailant, Tom Zeas, is still missing.
