HERE'S another one for the Campfire Girls to tell around the blazing hearth.

Some cuckoo, who was elected to congress during a lull in common sense, chirps that the way to flatten the high expense of living is to turn your last year's suit inside out.

Take he old fairy story, substitute a hat for the shoe, and that congressman would be the Cinderella.

It takes a cuckoo with a dome like a withered camphor ball to think up stuff like that.

Barnam never had a tent big enough to hold 'em all. Some of 'em have to go to congress.

Before you turn your last season's suit inside out you have to turn the moths inside out to get it. If you spot a bird cackling like the valedictorian of Matteawan university, don't blow a police whistle. He's a bellboy with his suit turned inside out. The buttons are tickling his wishbone.

It's been done before. The wife can turn your pockets inside out and get herself a suit.

The James boys also used to twist their coats outside in before manufacturing a bank. Many birds gave his collar the reverse English after he got the no-checker, no-wag-tie sign from the starch hounds in the old Asiatic cuff foundry.

We know a knock-kneed gent in Flushing, Long Island, whose wife creases all his trousers bowlegged. That's one thing that Woody should have in his Fourteen Points. The league of nations shouldn't allow wrinkles to crease hubby's pants.

If the elbows of your old suit are frizzled at the knees, if the buttons have turned sour, if there are soup trickles all over the vest and the plaster is dropping off the ceiling, turning the wreck inside out is simply wasting a taxidermist's time that might be usefully employed in putting glass eyes in a celluloid crocodile.

STECHER TIGERS PLAY ARMOURS HERE ON SUNDAY

Ex-Champion Wrestler Will Cover First Base for Dodge Team; Brother Anton on Second.

Joe Stecher will be in town with his famous team of ball tossers, the Dodge Tigers, Sunday, when they clash with the Armours at Rourke park in a double header.

It will be a good chance for everybody to see the ex-champion wrestler as he takes a very active part in the ball game, being manager and first baseman of his team, while Brother Anton covers second base.

Joe has been engaged in base ball all summer as this is one of his pet diversions to keep in physical trim. He has won at least three games for the boys with his mighty bat. Boys, he is some slugger.

Joe says if they don't beat the Armours two games they are not doing anything. A large following of fans from Dodge county are expected down to attend the games. The club leaves Dodge at 6 a. m. Sunday via automobiles.

Popular prices will prevail at these games and everybody will have a good opportunity to look the ex-champion over as he will soon be engaged in some big mat matches, probably taking on Pesek and several others.

The Armours are in fine trim after the St. Louis series and with Doyle, Graves and Frank they ought to make a good showing. First game Sunday at 2:00 p. m.

Skin Eruptions Cause Unbearable Itching

Scratching Increases the Irritation of the Delicate Skin Tissue. You can claw your nails into your skin until it bleeds, in an effort to obtain relief from the fiery itching and burning caused by skin diseases, but you only increase the irritation and pain.

And you can pour ointments, salves and lotions by the gallon on the irritated parts, without obtaining anything but temporary relief. Just as soon as the strength of the counter irritant gives out, your pain and torture will return with increased violence, because these local remedies have not reached the source of the trouble.

The real source of all skin disease is the blood supply. The blood becomes infected with some impurity, and the disease germs break out through the delicate tissues of the skin. They may appear as eczema, tetter, boils, pimples, scaly eruptions, caused by disease germs in the blood.

The real cure, therefore, must be directed through the blood. And no remedy has yet been discovered that equals S. S. S. for such disorder of the blood. This great old remedy cleanses the blood of disease germs, and clears up the complexion and gives it the ruddy glow of perfect health. Get a bottle at your drug store today, and you will soon be rid of your tormenting skin trouble.

Local Secretary Has No Information From Eastern Amateurs

Secretary Isaacson of the Municipal Amateur Base Ball association announced last night that he had not had any definite information from President Tom Nokes of the National Base Ball federation in regard to who the winners are and when the eastern champions will invade Omaha for the final game for the world's amateur title with the Murphy-Did-its.

However, it is expected that the championship fray will be waged here next Sunday, since the American Bridge company of Pittsburgh, which defeated Cincinnati Wednesday, will clash with Canton, O., today and Sunday to decide the eastern title. The winners of this game, it is understood, will play the Murphys here.

The Union Outfitting company, class B city champions, are engaged in a three-day tournament at Greenwood, Neb. They will play Ashland today and Greenwood on Yutan Sunday. A number of Omaha amateur base ball players are taking part in the tournament, joining with these above-mentioned towns. Manager Pascal announced he had arranged a game with the Lincoln Cleaners for next Sunday afternoon at Lincoln.

The Murphy-Did-its will journey to Lincoln Sunday to meet the Cleaners and will close their season a week from Sunday, in the event the championship game with the eastern champs is scheduled for that day.

A double-header Sunday afternoon between Divisions 1, 2 and 3 for the Omaha Bee Junior Base Ball association will be staged at Fontenelle park. Walker Defeats Roper, Following Challenge From Omaha Scrapper

Des Moines, Ia., Sept. 26.—(Special Telegram.)—Following a challenge by Harry Williams, former teetotaler of Kid Graves, Sports editor of The Bee, to the winner, Hugh Walker of Milwaukee won a decisive victory over Capt. Both men were equally aggressive all through the fight. Walker showed more fighting in the clinches, but his opponent landed many clean blows. Walker was knocked through the ropes in the sixth round, but came back strong. Both men were bleeding badly at the end of the battle.

In the semi-final, an eight-round bout between Carl Leonard of Red Wing, Minn., and Matt Smith of Correctionville, Ia., Leonard won a close decision. "Kid" Eggie of Des Moines won an easy victory in the first preliminary over Louie Lower-ville of Boston.
