Achieving the Ultimate in Phonographic Music By Means of Two Exclusive and Scientific Features

THE Brunswick Method of Reproduction gained instant and wide-spread public favor because it enriches the tone qualities of all records. For this alone it is adored by artists and approved by the hypercritical. It embodies the true principles of tone reproduction and complies with the established laws of acoustics in projecting tone.

The Ultona Plays All Records The Ultona—a product of creative genius—enables one to play all make records on the Brunswick. Not a combination contrivance nor complex mechanism, yet involving a fundamental principle of sound.

The Amplifier Enriches Tone As the name implies it amplifies tone, making it truer and sweeter. It is a vibrant tone chamber like the sounding board of a fine piano or violin. Constructed entirely of moulded hollywood and free from metal it gives the requisite resiliency for unfolding and projecting true tone.

Reduced His Weight A President's Experience Overstuffed men and women who have tried various methods for reducing weight without success will be interested in the discovery made by Dr. C. D. Stevens, President of Huskisson Hotel, Worcester. This gentleman found that his weight was becoming burdensome. It was seriously interfering with his health and business efficiency. Happening to learn of a certain oil, he obtained some at a drug store and began using it while following simple rules. To his surprise and delight, his weight began to reduce gradually until in less than three months he had lost 35 pounds. Mr. Stevens felt better every day and now he expresses great satisfaction at having gotten rid of the superfluous flesh. Many others, men and women, are following the Kerein system, which has seven simple rules and includes oil of kerein, a safe, wholesome treatment. No thyroid, no salts or calomel, no tedious exercises, no starving rules; a truly pleasant and effective home self-treatment for overeating. The oil of kerein is now obtainable at busy drug stores everywhere. Each pkg. has a guarantee that weight will be reduced 10 to 60 lbs., or more, or money refunded after fair test. A brochure will be mailed free if you write to Kerein Co., NL-65, Station F, New York. Show others this advertisement.
