Opponents Also Refuse to Accede to Joint Request for Consideration a Week Hence.

Washington, Oct. 8 .- Opponents of the peace treaty blocked all attempts to bring thet Shantung amendment to a vote in the senate this week and then refused to accede to a joint request by republican and democratic leaders for its consideration one week hence.

In the half-hour wrangle that followed the suggestion of Chairman Lodge of the foreign relations committee that the senate could speed up the treaty by reading the printed text while senators were preparing speeches on the Shantung provision the charge was made and denied that a full-fledged filibuster soon might envelop the pact and delay fi-

Says Dr. Edwards, a Well-Known Ohio Physician

Dr.F.M.Edwards for 17 years treated scores of women for liver and bowel ailnents. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, nead-aches, a listless, no good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly

for a time and note the pleasing results.

The Best Cough Syrup Is Home-made

You've probably heard of this well-known plan of making cough syrup at home. But have you ever used it? When you do, you will understand why thousands of families, the world over, feel that they could hardly keep house without it. It's simple and cheap, but the way it takes hold of a cough will quickly earn it a permanent place in your home.

Into a pint bottle, pour 2½ ounces of Pinex; then add plain granulated sugar syrup to fill up the pint. Or, if desired, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, never

or corn syrup, instead of sugar syrup. Either way, it tastes good, never spoils, and gives you a full pint of better cough remedy than you could buy ready-made for three times its

It is really wonderful how quickly this home-made remedy conquers a cough—usually in 24 hours or less. It seems to penetrate through every air passage, loosens a dry, hoarse or tight cough, lifts the phlegm, heals the membranes, and gives almost immediate relief. Splendid for throat tickle, hoarseness, croup, bronchitis and bronchial asthma.

Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments.
