PRESIDENT

Formal Announcement to Be Made Wednesday: Democrats Await Word From President Wilson.

By JUSTIN M'GRATH

Washington, Oct. 10 .- Formal launching of Gen. Leonard Wood's presidential boom in Chicago Wednesday is expected to lead to the launching of other booms. Democrat as well as republican in the next few weeks. Those who intend to be candidates for either nomination have not a great amount of time to lose. They must make their arrangements for representation in the presidential primaries which will begin in the spring.

The states which hold primaries

for the selection of presidential candidates are: California, Georgia, Illinois, Maryland, Massachussets Missouri, Nebraska, New Jersey, North Dakota, Ohio, Oregon, Pennsylvania, South Dakota and Wiscon

Must Enter Primaries.

It will be necessary for candidates of both parties to put up tickets in the primaries, of all of these states, if they wish to make a contest for if they wish to make a contest for the vote of the state, in the national

Any candidate contemplating a primary contest in 14 states must have a good organization to look after his interests, and good political organizations are not built in

General Wood is the first presidential candidate whose candidacy Northcliffe and Churchill Comhas been definitely announced and whose organization has started out to work in the various states. A California organization has been formed-to promote the candidacy of Senator Hiram W. Johnson, but it has not yet been extended to other states and Senator Johnson has not yet anounced that he will be a can-

Death Rate in Balkans

nearly 800,000,000 feet.

Is Highest in the World Bucharest, Oct. 10 .- (By Mail.)-The tuberculosis death rate in the Serbia, Albania and Montenegro.

The distressing factor is that the countries are almost wholly without sanitariums for the treatment of tuberculosis. Red Cross relief is temporary and it is considered beyond its province to found sanitariums on the scale that would be factions, nobody is yet visible on the

Needle Imbedded In

Hand 25 Years Breaks

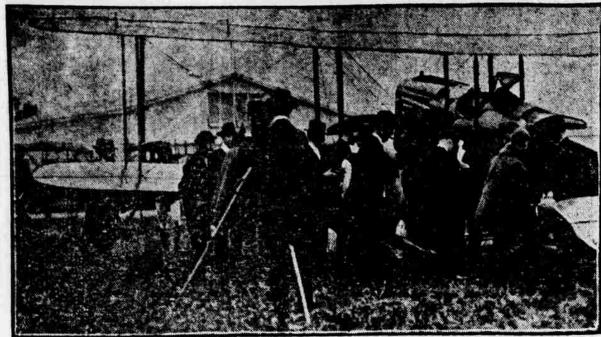

McAlester, Okl., Oct. 10. - The knowledge that a sewing machine needle was embedded in her hand seemed a trivial matter to Mrs. S. A. Scott 25 years ago. In fact, she had forgotten all about the needle until recently, when she broke the bit of steel while twisting a lid onto a jar of fruit preserves. An abscess developed.

Los Angeles Grows by

600,000 In 30 Years

Los Angeles, Cal., Oct. 10.-Since 1889 Los Angeles has grown from a population of 50,838 persons to an estimated population of 650,000, according to the report of City Auditor John S. Myers. The assessed valuation of taxable property has increased from \$39,479,172 to \$605, 642,547 during the same period.

Labor hopes one day to be the government

Could Force Overthrow. Labor could force an overthrow of the government on one of its members of parliament, who are not numerous enough for the purpose. If labor forces the downfall of the government it will have to use the

strike weapon or the threat of di-rect action. The government which "permitted" this would be discredit-Balkans is the highest in the world, ed, and probably would fall. But asserts the medical staff of the the labor movement also would lose American Red Cross headquarters standing with the voters and the here. This is based on reports from day when labor can become the Red Cross workers in Roumania, government party would be post-

poned. So, while there will be spirited at-tacks and noisy battles directed against the redoubts held by David loyd-George, Northcliffe, Lord Rothermere, Northcliffe's edtor-brother, and a score of minor political horizon who can stage Lloyd George's downfall with safety

If King George started today calling in leading statesmen for the purpose of inviting them to form a new cabinet he'd in all probability give audience to a goodly number of so-called "leading" statesmen

without getting a single nibble. A few weeks or a few months of the new session of parliament may develop a different story. Some statesman may grow. The pile of 'evidence for the prosecution" which the opposition is collecting at the door of Downing street may grow to such dimensions as to make conviction easier.

War Dances Taught Girls of London to

London, Oct. 10-London girls are graceful and generally walk better han their brothers because they are fond of dancing, according to the medical officer of the London Judge Gives Advice to Sep-County council.

"Teaching of dancing in public schools no doubt greatly helped, if it has not saved the situation in regard to the physical development of London girls," said the medical officer. Particularly noticeable is the already arched instep of the girls in com-parison with their own brothers and with country children generally. "The relative absence of flat-foot thus brought about is the founda-Lloyd George, England's "man of tion of the grace of carriage which

Comes from High Cost of Exhuming Bodies

Paris, Oct. 10,-There is bitter eeling throughout France owing to the exorbitant prices demanded by ome of the inhabitants of the war one for the exhumation of the odies of the soldiers who have fallen on the battlefields of northern the nearest railway station. "The profiteers of death" they are called Besides exacting stupendous prices the self appointed undertakers show little consideration for the precious burdens which they convey.

Ex-Soldiers Enlisting

In Irish Constabulary London, Oct. 10 .- Many ex-soldiers, unable to settle down to a quiet civil life after the bustle and adventure of the army, have found hey can have as many thrills as

they desire. They are enlisting in the Royal rish constabulary. Upon joining they are instructed in police duties, drill, musketry and elementary law at the head depot

Failed in Big Crisis.

"The police heads failed in this Father Sinne elaborated on this big crisis as they had failed before in statement by declaring that in his smaller matters. Alibis cannot hide belief politics was utterly foreign to the fact that they failed; attempts the sacred religious service. If to put the blame for the riot on politics must be brought into the someone else cannot dim the issue, church, however, it should be broad "The fact that a beautiful public minded, open politics, and not the building was burned, that stores in kind which suppresses truth, said the heart of the city were looted. that policemen surrendered their "I am firmly convinced that the guns and stars to mere youths, that a mayor was beaten and nearly lyncher, these facts mean only one Sunday," continued the Father thing—absolute failure by heads of Sinne. "By reviewing the series of the only department on which the thing-absolute failure by heads of city had to maintain order.

"It was simply the climax of a long list of glaring failures.
"Religion should not enter into the issue which is before the city today. Pastors who have rallied to the defense of Ringer and Eberstein, who are condemning criticism which has proven to be more than just, are suppressing the truth from their congregations.

Worst Blot of All. "Former administrations at the city hall have not been good, perhaps, but troops were never sent to Omaha during any other administration to prevent rioting. There have been riots in other cities, but there has never been a riot to equal the recent one in Omaha. "What Omaha needs is a man to

take charge of that most important department which the citizen depends on for safety, and the main-

Minister of Defense Charges Independents "Lick Boots of British and French Missions."

Berlin, Oct. 10.—(By The Asso-ciated Press.)—Independent socialists were accused by Gustav Noske, minister of defense, in the national assembly today of complicating Germany's position abroad by maicious and unjust criticism of the military administration. He told them they "were licking the boots of the British and the French commissions in Berlin."

Dr. Herman Mueller, minister of oreign affairs, admitted that many soldiers from south German garrisons were going to the Baltic provinces on fraudulent passports, addng that they were chiefly adven-

The minister declared lack of discipline made it easy for German roops to go over into the Russian service, and he asserted that people were "daily approaching the foreign office with information to the effect that the entente would be pleased to see German troops fighting in Russian units.'

"If the entente is desirous of having us withdraw the last German trooper from Russian formamitted to express the desire that the entente request Russia to discontinue attempts to attract Germans into their service."
