PLANE SMASHED IN FOG, SECOND ONE LOSES WAY

Two Accidents Yesterday, First of Kind Near Omaha—Bomber Wrecked at Yutan, Neb.

Soaring 1,000 feet above the clouds, unable to see the land beneath because of the dense fog, Capt. Roy N. Francis, and his monster Martin bomber plane, carrying three passengers sailed over Omaha yesterday totally unaware of the fact that they had reached their destination.

Without a stop until they neared Yutan, 30 miles west of Omaha, the plane was making good headway until Captain Francis attempted to make a landing, when the plane crashed into several telephone wires, and fell to the ground, a total and complete wreck. Captain Francis, and his passengers, Maj. W. H. Saunders, Capt. L. N. Keeling and Sgt. Manuel Rosa, narrowly escaped death in the crash. As it was they escaped with few slight injuries and a severe shaking up.

Had Narrow Escape.
The four men appeared at the control station at Ak-Sar-Ben field shortly after 2 yesterday and reported the accident to Lt. H. R. Wells, control station officer.

"It was miraculous that we escaped with our lives as the heavy plane crashed to the ground," explained Captain Francis to Lieutenant Wells. "We left Des Moines at 8:08 during a heavy fog, but as we had traveled through the fog in the east at the outset of the flight we thought of course we would experience no difficulty in reaching Omaha."

"As we left the ground I attained an altitude of about 1,500 feet, which I maintained until I decided to try and make a landing. We must have passed over Omaha about an hour and 15 minutes after leaving Des Moines, judging from the time that we crashed to the ground near Yutan. At no time did I see anything that looked like a city, and probably would not have known that we had passed it had I not attempted to make the fatal landing."

Will Return East.
"The plane is so badly wrecked that we cannot continue in the race. It will be boxed and crated and returned to Mineola. My companions and myself will return to Mineola tomorrow, by train."

The first accident to mar the perfect record made by the Omaha control station at Ak-Sar-Ben field, in the transcontinental air derby, occurred at 9:30 yesterday, when Lt. J. T. Johnson, piloting plane No. 106, an SE-5, was forced to make a landing at Forty-second and Valley streets when he became lost in the dense fog.

Lieutenant Johnson was severely bruised and the axle of his plane was broken and the center section wires on the wings of his plane also were broken when he effected the landing. He mistook the landing place for the Ak-Sar-Ben field and was so near the earth when he saw his mistake that he was unable to again take the air.

Is Slightly Injured.
His injuries, however, consisted mainly of a few cuts about the face and hands and a severe shaking up. When he regained his directions he took the air, with his plane unrepaiied, and made his way to Ak-Sar-Ben field, landing there at 10:19:52 a. m. Mechanics at the field immediately started to work repairing his plane.

Fog Hinders Flyers.
The weather conditions in Omaha yesterday, the dense fog and the occasional rain, made for the worst conditions that the aviators have encountered in their entire trip across the continent. It is impossible for the pilots of the machines to determine their direction, and the danger of accidents in landing is more than doubled.

Planes Make Getaway.
Shortly after noon the skies cleared sufficiently for the four planes which spent the night in Omaha to make a getaway.
Plane No. 10, piloted by Lt. D. B. Gish, was the first to make an ascent, leaving Ak-Sar-Ben field at 12:22:30. He was quickly followed by plane No. 19, piloted by Maj. J. W. Simms, who got away at 12:30; Lt. Ma. Henry Abbey, in a De Havilland, who was the third plane to get away, leaving the field at 12:44:12.

Plane No. 22 piloted by Capt. Felix Steine, who landed eight and a half miles southeast of Council Bluffs during a heavy fog during the morning, arrived at the field at 12:30:41 after managing to start his motor and fly out of the corn field where he had been lodged for about two hours.

Plane No. 28, left the flying field at 12:47:21 and after flying for about a quarter of an hour returned to Ak-Sar-Ben field because of the inability to make the distance to St. Paul safely.

Same Conditions at St. Paul.
Reports received from St. Paul yesterday were to the effect that the same conditions prevailing here, were holding up the westward bound pilots who spent the night at that control station.

By holding the four pilots, who arrived Monday night, during the day and with the arrival of Lieutenant Johnson's plane at Ak-Sar-Ben field, the five planes were on the field at the same time, and gave the flying center the air of real aerial combat. Despite the bad weather, a crowd of several hundred persons traveled to the field, during the course of the day to view the planes. The flight of Major Simms and Lieutenant Gish from Des Moines, late Monday afternoon, was one of the most exciting that has featured any lap of the transcontinental derby, so far. The two pilots left Herring field at Des Moines at practically the same time, and for mile after mile across the state of Iowa, they made the trip side by side. As they neared Council Bluffs,

FIRE BURNED AT RATE OF \$8,333 EVERY MINUTE

The bill for the court house fire, caused by the riots of September 28, was presented to the board of county commissioners yesterday by John Latenser, the architect.

It amounts to \$542,705.54. This is for repairs alone and does not include the cost of replacing the records which were consumed by the flames. The latter has been estimated at from \$250,000 to \$500,000.

A man with a head for mathematics has figured that the cost of the court house fire was \$8,333 per minute or \$140 per second for the two hours that it burned.

Among Mr. Latenser's estimates which have been carefully checked up are these:
Furniture and fixtures.....\$175,687
Carpets and shades.....16,900
Tile and marble.....10,900
Terrazzo floors.....10,900
Office.....8,815
Painting and decorating interior walls.....43,000
Cleaning walls, plastering, etc.....25,824
New bookshelves.....11,832
Cutting present stone and placing new granite.....15,255
New granite.....9,546
Setting new granite.....6,450

Outside of These Few Faults Bud Was an Ideal Husband
Laura F. Larsen alleges in a petition for divorce filed yesterday in district court that her husband, Bud Larsen, was so selfish, domineering, cruel, angry, sulky, impatient, profane, inconsiderate and complaining that she was compelled to leave their home on a farm near Oakland, Neb., and come to Omaha September 23.

Abandon Blazing Ship.
Halifax, N. S., Oct. 14.—The French steamer Venezia is reported to be abandoned and on fire in a wireless message received here by the marine fisheries department from the steamer Chicago. No word has been received concerning the fate of the crew of the Venezia, a vessel of 4,077 tons net.

How to Keep Baby Smiling and Well

See that the daily functions are regular and normal

YOU can't expect the little ones to be happy and playful when the head feels dull and the stomach bloated. The normal habit of children is to be happy and when you notice them cross and fretful you will usually find constipation is responsible.

Perhaps they have missed that daily function so necessary to comfort and health. Look at the tongue and see if the breath is bad. Watch for belching. These are the tell-tale symptoms of constipation. Tonight give a little of Dr. Caldwell's Syrup Pepsin, which you can buy at any drug store for 50c and \$1 a large bottle, and it will act in the morning and the troublesome symptoms promptly disappear.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin. Unlike the harsher physics it acts gently and without griping so that, while grownups can use it freely it can also be given to a tiny baby with perfect safety. Thousands of American families would

not think of being without a bottle in the house for the emergency arises almost daily when it is needed.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 311 Washington St., Monticello, Illinois.

COURT HOUSE DAMAGE, ON BUILDING ALONE, WAS \$542,705.54, SAYS ARCHITECT LATENSER'S REPORT.

The bill for the court house fire, caused by the riots of September 28, was presented to the board of county commissioners yesterday by John Latenser, the architect.

It amounts to \$542,705.54. This is for repairs alone and does not include the cost of replacing the records which were consumed by the flames. The latter has been estimated at from \$250,000 to \$500,000.

A man with a head for mathematics has figured that the cost of the court house fire was \$8,333 per minute or \$140 per second for the two hours that it burned.

Among Mr. Latenser's estimates which have been carefully checked up are these:

Outside of These Few Faults Bud Was an Ideal Husband
Laura F. Larsen alleges in a petition for divorce filed yesterday in district court that her husband, Bud Larsen, was so selfish, domineering, cruel, angry, sulky, impatient, profane, inconsiderate and complaining that she was compelled to leave their home on a farm near Oakland, Neb., and come to Omaha September 23.

Twelve Omaha Army Officers Included In Discharge Order

Twelve Omaha army officers will be discharged from the service as the result of an order from the War department at Washington, D. C., Monday by Col. G. S. Bingham, in charge of the quartermaster department here.

The order is to the effect, that with the exception of four regular army officers in the quartermaster department here, all officers be discharged before November 1. The order will affect only emergency officers.

The four remaining officers will be Col. G. S. Bingham, Col. A. M. Shipp, Maj. W. H. Farinthy and Capt. P. S. Gunion, all regular army men. Capt. F. L. Fink, who has charge of the army retail store at the Auditorium, will be among those discharged under the new order. Colonel Shipp will take charge of the store when Captain Fink is discharged, it is thought.

Thirty Kansas girls have formed a club and pledged themselves to marry none other than ex-service men.

Acting Mayor Ure in Lincoln for Special Session of Legislature

Acting Mayor Ure has gone to Lincoln to attend the special session of the legislature. He is interested in a bill to enable the Omaha city government to increase its police department budget and to appoint a non-resident chief of police if necessary.
