

SOLDIERS WILL BE WITHDRAWN FROM CITY SOON

Regulars From Camp Dodge Leave Today—New Fort Crook Garrison Comes From Chicago.

The 150 United States troops from Camp Dodge which have been on guard at the court house and other places in the city since the day after the riot, will be withdrawn today and will entrain for Camp Dodge, Colonel Morris of the Twentieth infantry announced yesterday.

Colonel Morris has been in charge of the military and police of the city since the day after the riots, with headquarters at the police station.

He will relinquish this work on Friday of this week, turning back to the police department to the civil officers.

Back to Police Again.

"I intend to relinquish my command of the police department within two days," he said, "and will turn it back to the police department."

"One hundred and fifty men will leave the city and return to Camp Dodge Thursday. One hundred troops of the 20th infantry will arrive in the city from Chicago probably Thursday and will do temporary guard duty at the court house. These troops will be quartered permanently at Fort Crook and their coming here has nothing especially to do with the present situation."

Request of City Authorities.

"How long will they remain on duty in the streets of Omaha?" the colonel was asked.

"Probably for 10 days or two weeks," he said. "The city authorities particularly asked that the troops remain here until after the king and queen of the Belgians had made their visit. But, that having been cancelled, they may be withdrawn sooner."

The 20th infantry troops will be in command of Captain Helm. They will take orders only from the military authorities in case of emergency.

Report Thieves Take Material From New Houses Being Built

Numerous robberies of building material from houses under construction in the northwest part of the city have been reported to police during the past week. Tar paper, shingles and cement constitute the greater part of the stuff.

Tuesday night 20 bundles of shingles were taken from a house near Forty-eighth and Wirt streets, according to a report made to the police.

Sold Husband Too Much 'Jake'

Alleging that Charles G. Miller and William Holst sold so much Jamaica ginger to Frederick Chase that he was hauled before the insanity board, Bertin Chase filed suit in district court yesterday against the two men for \$5,000 damages. Mr. Miller owns the Rex pharmacy at Seventeenth and Cuming streets and Mr. Holst owns a pharmacy at 2702 Cuming street.

BONDSMEN MAY HAVE TO PAY FOR BURNED RECORDS

County Attorney Says Officials May Have Been Negligent.

The bondsmen of county officials in whose offices valuable records were destroyed in the riot fire of September 28, may be held liable for the cost of replacing these records, it was stated yesterday.

While the officials involved hold firmly to the position that they were not liable for the destruction, because it was the work of the mob, lawyers say it is quite possible that their bondsmen may be called upon to make good the loss.

May Charge Negligence.

"This problem has been brought to my attention," said County Attorney Shotwell, "but I have not had time yet to look into it. In cases where valuable records were negligently left on the counters in the open offices when they should have been in the fire proof vaults, it seems that the officials should be held liable for the destruction of the records, and that the county should not be expected to pay for replacing them."

"I shall look up the law on this problem and make a report soon."

County Treasurer Endres, in whose office much was destroyed, declared that he and his bondsmen cannot be held liable.

"It was the work of a mob," he said, "and therefore we are not responsible."

Vault Has Window.

"If the records had been in the fire-proof vault, they would not have been burned, would they?" he was asked.

"Well, the steel vault has a window in it and the mob could have broken the wire glass and entered there and burned the records," he declared.

The records in the office of Register of Deeds Pearce were all in their places, and the mob secured them by prying the doors off the fire-proof files. In this case it is admitted no liability can attach to Mr. Pearce.

HOW TO DARKEN GRAY HAIR

A Cincinnati Barber Tells How to Make a Remedy for Gray Hair.

Mr. Frank Harbaugh of Cincinnati, Ohio, who has been a barber for more than forty years, recently made the following statement:

"Anyone can prepare a simple mixture at home, at very little cost, that will darken gray hair, and make it soft and glossy. To a half-pint of water add 1 ounce bay rum, a small box of Barbo Compound and ¼ ounce glycerine. These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look twenty years younger. It is easy to use, does not color the most delicate scalp, is not sticky or greasy and does not rub off."
