

CORNHUSKERS IN GOOD SHAPE FOR CATHOLIC TEAM

Nebraska Grid Squad to Unload a Bunch of Tricks and Plays That, as Yet, Are Untried.

Lincoln, Neb., Oct. 16.—(Special.)—The Nebraska Cornhuskers, facing their annual game with the University of Notre Dame, the western classic, are in top condition. The thousands who look forward to Saturday's meeting can expect one of the fastest and most closely contested grid battles in years. Officially it will be "unload day." Coach Knute Rockne of Notre Dame reports, says, is coming to Lincoln with one of the best teams ever assembled at the Catholic institution. His backfield contains some of the brightest stars in the country. Likewise Coach Schulte of the Huskers has emmeshed in the superabundance of his material stellar actors of the first order.

Showed Flashes of Form.

The Nebraska team in its games with Iowa and Minnesota has shown brilliant flashes of form. Yet the Huskers unloaded but a brief section of their batch of high order plays. Also the team has been in the process of organization. Deeming the Notre Dame game the classic of the season, excepting Syracuse, it is expected that the Huskers will "open up."

With Notre Dame it is the same. Rockne is coming to avenge the lead the Huskers have on his school. Of four games played, Nebraska has won two and tied one. And Notre Dame, this year, has one of the best, if not the best, backfield in the country. So whichever way the game breaks, provided the line of one team crumbles, the scores probably will soar.

The Huskers are permanently organized. Swanson and Kellogg are at ends. The former is rated as the best end in the valley while Kellogg is a wonderful offensive player. In the Gopher game Kellogg was removed, supposedly for rough tactics, was in reality merely following the ball at full speed, an essential of an end man.

Hubka and Lyman are tackles. The former is one of the swiftest line smashers in the Missouri valley. Twice he has been selected at tackle on the all-valley mythical eleven. His tackling is particularly deadly. Lyman is a tall 200-pound mastiff who in Lincoln is pointed to as an all-western forward. He is the only foreigner on the team, coming from McDonough, Kan., just across the Nebraska border.

Have Four Guards.

At guard the Husker coach has four likables, one probably as strong as the other. Monte Munn, giant 205-pound brother of Warren, formerly a regular line man, is one of the favorites. Wilder, a tackle on Husker representations in the two years past, is the other "regular" on the Nebraska wall. Young, 200-pound Lincoln athlete, who is an adept at kicking goals from placement, is the fourth. Day, veteran center, is the team's pivot.

ROCK ISLAND RAILROAD MAN HAD CLOSE CALL

Was Told Only an Operation Could Help Him—Tanlac Ends Trouble.

"Well, sir, I can't remember the time when I felt so strong and robust as I do since I commenced taking Tanlac," said Dennis Mekeel, a well known flagman on the Rock Island Railroad, and who lives at 820 North Adams street, Peoria, Ill., while talking to a Tanlac representative the other day.

"I suffered with stomach trouble for sixteen long years," continued Mr. Mekeel, "and I tried hard to find a medicine or treatment that would give me some relief, but all my efforts failed me completely until I got hold of this Tanlac. A poached egg and toast was about all I could eat, and even that would often cause me to suffer like blazes after eating it. Sometimes I would have the worst sort of cramping pains in the pit of my stomach and would be bloated up with gas so bad I could hardly get my breath. All my strength and energy finally left me and my condition got so bad that I was told that the only thing left was an operation."

"Well, I thought I would submit to the operation, for I knew that I couldn't hold out very much longer, suffering as I did, and after making all arrangements to go, my sister came to see me and advised me to stay home a while longer and give Tanlac a trial. My sister seemed so earnest about the good she thought Tanlac would do me that I decided to take her advice. I sent for some Tanlac right away and, sir, before I had taken half of my first bottle of this wonderful medicine I knew that I had at last found the very thing I had been looking for all these sixteen long years. I commenced to improve right away, and I am as well and strong as any man in this section of the country. My stomach troubles are all gone, and I can eat three big meals every day without suffering afterwards. I haven't had such a good appetite in many years, and I relish every bite I eat. I am more than glad to tell the world what Tanlac did for me, for I want others who suffer as I did to get the benefits of this, the best medicine on earth."

Tanlac is sold in Omaha at all Sherman & McConnell Drug Company's stores, Harvard Pharmacy and West End Pharmacy. Also Forest and Meany Drug Company in South Omaha and the leading drug store in each city and town throughout the state of Nebraska.

ONE HIGH SCHOOL FOOT BALL GAME HERE THIS WEEK

All Local Teams Going Out of Town, With Exception of Creighton and Commerce Elevens.

High school foot ball followers will see only one foot ball game played in Omaha this week as most of the schools will make the first journey of the season to battle with teams outside of Omaha.

Central high was scheduled to play Norfolk at Norfolk Saturday afternoon, but the date was changed to Friday. The Commerce high squad will mix with the Creighton Catholics Friday, while the Packers will tangle with University Place, Saturday at Lincoln.

The Commerce high foot ball squad, under the supervision of Coach "Jim" Drummond, is starting out to win the state honors by defeating South high and Council Bluffs last week.

The men probably will be shifted around so Coach Drummond will be able to test his warriors in all the positions. A few of the business jads have not showed up for practice because of injuries they received in the game at the Bluffs, but may be able to play in Friday's game.

The game between Central and Norfolk will be hard-fought, as the teams have been intense rivals for years. After losing to Lincoln high last week by the score of 21 to 0,

COX OUTDRIVES GEERS IN MATCH OF 2-YEAR-OLDS

Pilots Day Star to Victory Over Veteran Driver's Harvest Horn; Royal Mac Wins 2:07 Trot.

Atlanta, Ga., Oct. 16.—Cox, piloting Day Star, took the 2-year-old trot from Geers, driving Harvest Horn in straight heats in the Grand circuit races Thursday. These two were the only starters. Best time 2:14 1/2.

Royal Mac, Murphy driving, had things all his own way in the 2:07 trot, winning each of three heats. Best time 2:07 1/2.

Murphy, with Esther R., was easy winner in each of the three heats of the 2:07 pace.

The last half of the second mile was paced in 1:01, the time of the heat being 2:06 3/4.

The 2:10 pace for all southern starters was won by Bonnie Floyd, driven by Tansey. Best time 2:10.

Third Double-Header For City Title Will Be Staged Sunday P. M.

Weather conditions permitting, the Murphy-Did-Its, city and western amateur champs, and the Armours, Omaha's semi-pros, will clash Sunday afternoon at Rourke park in the fifth and sixth games of the series for the city title.

The Murphy-Did-Its, by taking both games of the double-header last Sunday, have three games to their credit, while the Packers have but one. According to the latest advices from the Armour's headquarters, the Packers are confident that they will even up the series on Sunday, so as to play the final and deciding game Sunday, October 26.

Should the Murphys be victorious in either of the games they will hold a clear title to the city championship as well as being the western amateur champs.

It is probable that Andy Graves, the veteran of the diamond, who has been a "jinx" to the Murphys, will have the first contest for the Packers in an effort to keep his teammates in the running. Either Dyke or Franek will pitch the second battle.

"Butch" Hay, Pete McGuire, Guy Hoffman or Everett will pitch for the Murphys, although Manager Lawler is uncertain who his favorites will be. McGuire and Everett will probably be given a chance at the Packers, it was announced.

Students Pleased With Work.

Husker interest in the Notre Dame game is keyed to top pitch. The rank and file of students are immensely pleased with the work of their new coach and are behind Schulte with might and main. There is a feeling that the "Indian" mentor will not only win hot ball games, but cultivate in Husker time a brand of fight that will make the school a leader in all branches of athletics.

Schulte, primarily, is a track coach.

This week formal announcement was made to track men to turn out for the season, which doesn't start until next February. The Nebraska coach has made it known that after a formal inspection of the track material available he will put the school on the map as supporting the greatest track team in the country.

Football Demonstration Staged by Midland College

Fremont, Neb., Oct. 16.—(Special Telegram.)—Midland college turned out in full force Thursday evening for the parade to advertise the Cotner-Midland foot ball game Friday.

It is the first time for 15 years that Fremont has seen a foot ball demonstration, the gridiron game having been tabooed at the Fremont High school for that time, and all kinds of athletics were barred at old Fremont college.

The game Friday is the first scheduled for Fremont. Midland has played two games this season, both away from home.

A little injury will not keep my men from any game," remarked Mills when asked how he expects his warriors to play the Marquette squad, reported to be a fast and snappy eleven.

Coach Schulte of Nebraska university is confident that his boys will trim the Oklahoma squad. The Nebraska team will go through some scrimmage and signal practice with

Hoosiers Depending on Speed in Lincoln Game
