

FAMILY RUMPUS HAS ELEMENTS OF MOVIE PLOT

Man Befriends Widow, Brother Has Man Arrested, Widow Tries Suicide, Uncle to Rescue, Etc.

A series of family troubles involving a feud between brother and sister, a refusal of the woman to marry a chance acquaintance, an attempted suicide and the ultimate arrest of a friend of the woman on a serious charge, was the scenario acted at central police station with the arrest Friday night of Frank Kellerman, 35 years old, 1922 South Twentieth street.

Max Rosenstein, 1611 North Twenty-fourth street, swore to the warrant for the arrest, the complaint stating that Kellerman had been unduly intimate with Mrs. Beulah Israel, 34 years old, sister of Max Rosenstein, at 1922 South Twentieth street.

Kellerman was released yesterday under \$1,000 bail bond, signed by Joseph Haykin, 2222 Howard street, uncle of Mrs. Israel.

Since the death of Mrs. Israel's husband last December, the woman, mother of three children, has been unable to attend properly to running her grocery store at 1922 South Twentieth street. Kellerman, an employe of the Union Pacific shops and a life long acquaintance, has been assisting the woman in her struggle.

Last Tuesday noon, Mrs. Israel attempted suicide in the rear of the store by swallowing two ounces of poison. She told police her brother, Max Rosenstein, had been "hounding her to death" because she refused to marry a Harry Rosen of Sioux City when he proposed to her.

"I didn't even know the man, and Max wanted me to marry him so I would be able to give him \$500 which he had been demanding of me," Mrs. Israel told police. Harry Haykin, cousin of Mrs. Israel, said that Rosenstein has "pestered" the woman for \$500 in payment of government allotments which Mrs. Israel is said to have received through her brother. Mrs. Israel is seriously ill from the effects of the poison. She was unable to open the store for business yesterday. Her sister, Mrs. Haykin, 2222 Howard street, is with her.

Further Delay In the Gas Plant Appraisal Is Caused by Judge

W. C. Lambert, corporation counsel, yesterday stated that there is another delay in the appraisal of the Omaha Gas company's plant, which the city has elected to purchase by condemnation proceedings. Judge W. V. Allen of Madison, Neb., members of the court of condemnation, has wired that he will be unable to attend a meeting earlier than December 1, a meeting having been set for next Monday. Mr. Lambert returned yesterday from Kansas City, where he conferred with Burns and McDonald, experts engaged by the city of Omaha to ascertain the physical valuation of the gas plant.

Die in Desert Blizzard After 20-Mile Tramp

Casper, Wyo., Oct. 18.—George Chandler, prominent oil man, who disappeared in the blizzard in the Red desert, October 3, died of cold within three miles of his goal after tramping 20 miles through the storm from his stalled automobile. His body was found today three miles from the camp of the Associated Oil Co. Chandler was on his way from Rawlins to the oil fields when overtaken by the blizzard.

Visiting Nurse Who Wed Sailor With a "Cinder in His Eye"

Mrs. Ralph Hershey

Mrs. Ralph Hershey is known to the members of the Visiting Nurses association of Omaha as Annie Andrews, and it was only a few days ago when her name was changed. Her resignation from the association will be effective November 1.

While serving at the Union station as hospital nurse in connection with the romance which culminated in their recent marriage at Trinity cathedral.

Some of the sailors at the local recruiting office heard of the incident, so they went down to the Union station and looked around for cinders with which to put in their eyes.

Weevil Epidemic In Wheat - Caused by Car Shortage

Chicago, Oct. 18.—Wheat handlers say there is a regular epidemic of weevil in the wheat arriving now. They believe that owing to shortage of railroad cars preventing shipments the grain was held in old wooden elevators long enough for the few weevils generally present to increase materially. Containing weevil cannot be graded higher than "sample," and even then the buyers ask for 5 cents a bushel discount on all carloads which are rejected as too heavily infested with weevil.

"77" FOR COLDS

To get quick and sure response, take "Seventy-seven" at the first symptom of a cold, which is lassitude, a forlorn feeling of weakness, as if some serious illness was pending. A dose of "Seventy-seven" at this stage of a cold is worth its weight in gold.

"Seventy-seven" breaks up stubborn colds that hang on. Doctors Book sent free.
