

# MOTHER CLAIMS ARREST OF GIRL WAS A FRAMEUP

## Alleges Negro Threatened to "Get" Daughter for Complaining to Police of Dope Peddling.

Upon verbal complaint of Babe "Speck" Gibson, former negro janitor at the Central police station, Mrs. May Christos, 32 years old, 1328 Ogden street, was sentenced to 30 days in the county jail for vagrancy by Police Judge Foster. Three hours later the police judge ordered her release, upon the plea of her mother, Mrs. A. F. Nichols, 57 years old, on condition that she had left for Kansas City, Mo., last night, as had been her plan, the mother said.

Mrs. Christos is the wife of Peter Christos, owner of a soft drink parlor at 522 South Thirteenth street.

Policeman MacDougall arrested her at Sixteenth and Cuming streets Wednesday afternoon. Gibson and Policeman MacDougall were waiting at the corner together when the woman arrived with her child. She was taken by federal authorities and collapsed when told she was under arrest for "trying to sell dope to Gibson."

## On Way to Station.

Gibson was not in court yesterday morning, but the woman's mother was present.

She and her daughter testified that they were on their way to the Northwestern freight depot Wednesday afternoon to ship their household goods to Kansas City when Mrs. Christos was arrested. Mrs. Nichols produced a bill of lading to that effect.

Mrs. Nichols and her daughter testified that the arrest was a frame-up on the part of "Speck" Gibson, because both had made complaints to police and federal authorities that Gibson had been selling morphine to Henry Nichols, brother-in-law to Mrs. Nichols. Federal authorities raided Gibson's home at 1019 North Eighteenth street last Monday afternoon and found Buster Dennis, well known woman dope peddler, in Gibson's home. Buster Dennis' husband is at present serving a term in the county jail for peddling dope.

## Threatened Her Life.

Following the raid, Mrs. Nichols received a telephone call from "Speck" Gibson, she testified yesterday. "He threatened my daughter's life for squealing on him, and said he would cut her throat if she didn't leave him alone," Mrs. Nichols testified. The aged woman told the court that Gibson had informed her that "he would get even."

"Gibson answered an advertisement for the sale of my furniture," "He picked out several pieces of furniture which I said I would sell for \$3. He went away and later telephoned that his daughter should meet him at Sixteenth and Cuming streets Wednesday afternoon to give him the key to the house."

"When my daughter arrived there, Gibson told MacDougall to arrest her."

"The police report of the affair states that 'Speck' Gibson was working out of Chief of Detectives Dunn's office. The chief denies this."

### "FIDDLE-FIT"

Keep Liver and Bowels Clean and Active with "Cascarets"

Sick headache, biliousness, coated tongue, sour, gassy stomach--always trace this to torpid liver; delayed, fermenting food in the bowels.

Poisonous matter clogged in the intestine, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will have you feeling clear, rosy and as fit as a fiddle by morning. They work while you sleep.
