WAR CAMP

All Saints Night.

On Friday evening, October 31, the Girls' Community House, 1716 Dodge street will be the scene of weird and ghostly revels. All the members of the Girls' Community Service league and co-operating units are expected to experience a wonderful metamorphosis and come forth in the immaterial forms of ghost, goblin, witch and fairy, in which intangible, but thrilling existence they will entertain for the service men of both forts and their exservicemen friends.

Among the features of the evening will be a hallow'en stunt by the dramatic class of the Girls' Community Service league which draws its membership from all units of the league, assisted by a group of soldiers and civilians.

A wandering band of gypsies formerly girls of the D. T. A. club, will give an interpretive dance. Fortune telling, crystal gazing and dancing will occupy major portions of the program.

As the men will not have discarded their mortal existence their appetites, it is supposed, will be as good as usual. Home-made pumpkin pie and pop corn balls will be supplied by gnomes and sprites in almost limitless quantities.

Miss Helen E. Purcell of the National headquarters of War Camp Community Service, spent two days of this week visiting and investigating the work done by the Girls' Division in Omaha. Miss Purcell was greatly impressed by the growth of the work.

The number of girls enlisted for service has been increased to such extent that the Community House at Seventeenth and Dodge streets is one of the most popular places in the city.

Classes in dramatics, folk dancing, music and athletics and cooking have been organized. The eagerness with which the young ladies

take up this sort of work is the best evidence that Community Service of this sort is greatly needed.

Mr. C. B. Root spent the latter part of the week in Kansas City. He is investigating the work in that city and conferring with a committee from national headquarters regarding the future of the service in Omaha.

The attention of exservicemen is called to the fact that blank forms for the Minnesota bonus are on hand at the Army and Navy club. Those who are entitled to the bonus should make application at once.

Mr. C. A. Levings, director of the Army and Navy club, addressed the war mothers at the court house Thursday evening. He explained war risk insurance and requested the assistance of the ladies in encouraging exservicemen to hold on to their insurance.

Best Way to Wash the Hair

We find you can bring out the beauty of your hair to its very best advantage by washing it with canthrox. It makes a very simple, inexpensive shampoo, which cleanses the hair and scalp thoroughly of all the dandruff, dirt and excess oil, leaving a wonderfully clean, wholesome feeling. After its use you will find that the hair dries quickly and evenly, is never streaked in appearance and is always bright, soft and fluffy; so fluffy, in fact, that it looks more abundant than it is, and so soft that arranging it becomes a pleasure. Just use a teaspoonful of canthrox, which you can get from any good druggist's, dissolve it in a cup of hot water; this makes a full cup of shampoo liquid, enough so it is easy to apply it to all the hair instead of just the top of the head.
