

always welcome

—yes, more than welcome in these days of high food costs because—

Calumet saves three ways—gives three means of economizing. You save when you buy it—you pay only a moderate price.

You save when you use it—has more than the ordinary leavening strength—therefore you use less.

You save materials it is used with—never fails—nothing is spoiled—nothing is wasted.

It is pure in the can and pure in the baking. All bakings are light, tender, exceptionally good and thoroughly wholesome.

Don't Overlook This! When you buy a pound can of Calumet you get a full pound—16 ounces—no short weights. Some baking powders are now being put on the market in 12 ounce cans instead of pound cans. Be sure you get a pound when you want it. Remember—Calumet is not made by the Trust—not sold at Trust prices.
