

PRESIDENT WILL DICTATE VOTE ON PEACE PACT

Administration Leaders Will Ask Wilson How to Balance on Lodge's Americanization Proposals.

By JAMES R. NOURSE. Washington, Oct. 25.—President Wilson will be asked by his supporters in the senate to advise them how to vote if the Lodge reservations Americanizing the treaty are adopted.

Senator Hitchcock and a number of others among the administration men believe that the president will tell them to join with the irrecusable republicans who will vote to reject the treaty.

The movement toward passing up to the president the final settlement of the democratic position with respect to how to vote after reservations are agreed to was launched yesterday at a conference in Vice President Marshall's office attended by the vice president, Senator Hitchcock, Senator Swanson and Senator Pomeroy.

Between the time when reservations are about to be agreed upon and the calling of the roll on the question of agreeing to the resolutions containing the reservations, Senator Hitchcock and the others will ask the president to tell them exactly what he wants them to do.

A prominent senator among the democrats exhibited a poll showing 39 senators who will vote to reject the treaty if the president should give the word to reject it.

Thirty-nine Against Lodge Plan. Democrats—Culberson, Gray, Harris, Hitchcock, Jones of New Mexico, Kirby, Overman, Owen, Pittman, Reed, Sheppard, Shields, Smith of Georgia, Thomas, Underwood, Walsh of Massachusetts, and Williams.

Republicans—Ball, Borah, Brandegee, Curtis, Fall, France, Frelinghuysen, Gurnea, Johnson of California, Knox, LaFollette, McCormick, Moses, Newberry, Page, Poindexter, Sherman, Sutherland, Wadsworth and Warren.

The senator who prepared this list wrote his own name upon it. He said his information as to how the individual senators will vote in the event the reservations prove too obnoxious to the president was obtained by him from conversations with senators in the cloak rooms.

Wilson's Stand Problematical. On the other hand, there have been some intimations that the president might take different ground and issue an appeal for ratification of the treaty with milder reservations than those now before the senate.

It would also be ineffective as to Senators Reed, Gore, Shields, Walsh of Massachusetts, Thomas and Smith of Georgia, all of whom will support strong reservations.

Reports of the serious turn in the illness of Senator Thomas S. Martin of Virginia, the democratic leader, have been received with considerable interest here.

Report of Reds' Activity Said to Be Exaggerated. Washington, Oct. 25.—Reports of "Red" activities in the steel strike have been exaggerated, the senate committee investigating the strike was told today by W. A. Rattenburg, a striker from Gary, Ind.

"All of this weight has been put on talk about radicals to hurt us," he said. "This is an American Federation of Labor strike."

"We can't protect ourselves unless we have organization," he explained. "The wages now are paid on a basic eight-hour rate. If the hours were reduced the pay would come down. We wanted to negotiate that question."

Denying all knowledge of anarchistic or I. W. W. associations in Gary, Rattenburg said all he knew of it was from newspaper reports which he did not believe he said.

Prompt Intervention of Yankees Squashed Revolution of Metz

Coblentz, Oct. 26.—This is a story of an infant revolution in the German village of Luetz, 200 souls, that lasted just four hours, thanks to the prompt intervention of the American army of occupation.

Word reached the Americans at noon that something unusual was going on at Luetz. Two officers were sent over. They discovered that the village society of Reds, calling itself "Hilarity," had erected a 70-foot flagpole, from which floated a red flag, and frightened the village officials into fits and were patrolling the outskirts to prevent outsiders from entering.

"Where's the head of this outfit?" asked one of the Americans. "The executive council is down the street drinking to the success of the revolution," replied a villager. An American officer hastened to the cafe.

"Here you," he shouted to the executive council. "Come out of that—quick. All of you get shovels and uproot that flagpole." Thus ended the revolution of Luetz.
