

AK-SAR-BEN EXPOSITION

AND WEST
ENG. CO.

Make Your Vision Come True!

You, Mr. Business Man, can build this big permanent exposition for Omaha. You have been dreaming about it for years. The time for action has arrived.

Ak-Sar-Ben carnivals and fall festivals have helped build Omaha from a city of 100,000 to a city of over 200,000. Omaha has outgrown Ak-Sar-Ben carnivals.

Ak-Sar-Ben now makes possible a bigger and better opportunity to spread the fame of Omaha; a permanent exposition and amusement center, which will help make Omaha a city of 500,000 people.

The Ak-Sar-Ben exposition will bring hundreds of thousands of people to Omaha each year. These visitors will spend millions of dollars in Omaha and you share, directly or indirectly, in the distribution of these millions.

Omaha needs a place for aerial carnivals, industrial exhibitions, winter sport carnivals, encampments, auto shows, implement shows, tractor shows, fireworks displays, auto races, live stock shows, frontier day celebrations, baseball games, football games, band concerts, historical pageants, folk dancing, horse racing and the many other attractions of which it has been deprived.

Ak-Sar-Ben will be working for Omaha every month in the twelve.
