Heart Beats

By A. K.

She is poor
The passers sneer
Because her raiments
Are almost rags—
Made solid by patches
And mends
And darts.
Some fools deary
She gave much
To the undeserving
Who chanced her way—
That the money was wasted
On gifts and flowers—
On books for the ill
And stray infants' clothes.
One queer version
The public gives
Is vastly different—
Indeed:
She is a miser—
They decide
And hoards the gold
Which should go
For food
And comfortable
Stylish clothing.
Nay!
She is not poor
Though her clothes
Are worn—
They're all wrong—
But she's very rich
In Eternity's wealth
Each day she stores
Into a savings bank—
All she collects
On her love-stricken path.
Interest—
And compound
That bank pays—
For she deals
With the savings bank
Of the Soul.
The interest is happiness
Paid every hour—
Through smiles
And friendship
And fondest love.
A passport she has
Through the Pearly Gates—
The password
She learned
Was "Kindness."

The Nujol Treatment as Sickness Prevention

Science, with anti-toxins, serums, and modern sanitation, has done much to prevent dangerous disease; but the diseases so checked are comparatively few. On the other hand, 90% of all diseases have one common origin—constipation.

The dangers of constipation are so far-reaching, because the blood receives poisons from an infected mass within, and carries them directly to every organ of the body; and because constipation itself keeps the system in a run-down condition so that any infectious germs from without readily gain foothold.

Keep clear of constipation and you guard against serious disease. Nujol will remove constipation, and prevent its return.

The action of Nujol is entirely different from that of any other constipation remedy. It is not a drug. Nujol softens the food waste and encourages the intestinal muscles to act naturally.

Nujol helps Nature establish easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world. Get a bottle from your druggist today.

For valuable health booklet—"Thirty Feet of Danger"—free, write Nujol Laboratories, Standard Oil Co. (New Jersey) 50 Broadway, N.Y.

Warning: Nujol is sold only in sealed bottles bearing the Nujol Trade Mark, as shown here. Beware of products represented to be "the same as Nujol." You may suffer from substitution.

TROCO

As Sweet and Delicate
As Its Ingredients

Dainty pats of Troco, sweet and delicate in flavor, enhance the enjoyment of all other foods you serve. The use of Troco in cooking—for making cakes and for seasoning meats and vegetables—means that these particular dishes will be especially good.

All because Troco itself is so perfect in flavor and quality. You may pay more but you can't buy a more delicate, delicious product.

Made from the White Meat
of Coconuts

Troco is made from the dainty nut fat extracted from the white meat of coconuts, the most valuable of all Tropic foods. This is churned by a special process with pasteurized milk, the temperate climate's food standby. We churn and ship every day, on ice, to insure freshness.

If your dealer will order often and keep his stock in the ice box, Troco will reach you in perfect condition—a supreme table delicacy.

Your grocer has Troco or can get it for you. If you cannot secure it in perfect condition send his name to the Troco Nut Butter Company, Chicago.

We are obliged to label Troco as "oleomargarine" because of old laws passed before it was invented. But it contains no animal oils—just pure vegetable fat and pure pasteurized milk.
