

AK-SAR-BEN EXPOSITION

"We Must Make This Possible!"

It is the business of every Omaha firm, corporation or partnership to consider seriously the opportunity to upbuild Omaha by helping to construct the Ak-Sar-Ben Exposition.

Omaha has outgrown the street carnivals and is now ready for a big permanent exposition grounds and amusement center, a project which will help Omaha reach the 500,000 goal.

Ak-Sar-Ben has been in existence for twenty-five years, during which time Omaha has grown from a city of 100,000 to 200,000. Ak-Sar-Ben was one of the big factors in that growth.

The Ak-Sar-Ben Exposition will bring to Omaha hundreds of thousands of people annually who will spend millions of dollars here. Confer with your business associates and consider what that means!

Every firm in Omaha will share in the outside money which the Ak-Sar-Ben exposition will put into circulation. Every employee or executive of every firm in Omaha will benefit by this increased business. Every professional man will increase his income.

This is Not "Just Another One of Those Drives"

It is the one big drive "for Omaha,"—the only drive of its kind we have ever had. After helping all other causes we are now doing something for ourselves.

The Ak-Sar-Ben exposition is a big project and it is being handled by big men. To be successful it must have the unqualified support of the entire community—of

every man, firm, partnership or corporation in Omaha.

If you are for a bigger Omaha you are for the Ak-Sar-Ben Exposition and will purchase its stock to the limit of your ability. You can not dodge the issue.
