

WOMAN'S SECTION OF THE BEE

Blow, blow, thou winter wind, Thou art not so unkind As man's ingratitude.

—Shakespeare.

For, boy, however we do praise ourselves, Our faces are more giddy and unfirm, More longing, wavering, sooner lost and won, Than women's are.

The key to Dunsany's work is found in his own words when he said, "It seems that a play that is true to fancy is as true as one that is true to modern times, for fancy is quite as real as more solid things and every bit as necessary to man."

The coming of Lord Dunsany, who speaks before the Drama league here on November 15, is an attraction of considerable interest because of the man himself and the things he has done.

The sweet peas and alyssum, Clove pinks and mignonette are fragrant-fair, but dearest Grow in the garden yet.

Down in a shady corner From early spring till late, With sunny, folk-like faces My nicest flowers await.

Deep velvet, ruffled pansies, My own loved blossoms sweet, Make all the flower garden More perfect and complete.

Her Garden

So many garden flowers! And in so many ways They grow and blossom brightly, Through all the summer days.

The foxglove bells and larkspur, Against the garden wall, With hollyhocks so naughty Climb highest of them all.

They are too tall and stately For little folks like me; I leave them to the grown-ups, And to the wind and bee.

Our poppy flowers bloom scarlet An hour, and then they fade, But generously next morning Fresh poppy flowers are made.

Begy's Mustarine Astonishes All. Money Back, Says Druggists, if Begy's Mustarine Isn't by Far the Best Mustard Preparation.

A Big Yellow Box for 30c. Ask your druggist to show you a box of Begy's Mustarine; he and every other druggist in America is authorized to return your money if it does not do as advertised.

Doctors have prescribed it for 19 years. It's the original, and best improvement on the old-fashioned Mustard Plaster, and quickly stops rheumatic pains, neuritis, neuralgia and lumbago, and instantly relieves tonsillitis, pleurisy and bronchitis.

Just rub it on, and every night away goes sore throat, coughs and chest colds.

For sprains, swellings and all aches and pains, it has no equal, while for sore feet, nothing yet discovered can compare with it.

Be sure its Begy's always in the yellow box. S. C. Wells & Co., LeRoy, N. Y.

STOP CATARRH! OPEN NOSTRILS AND HEAD. Says Cream Applied in Nostrils Relieves Head-Colds at Once.

AN INSIDE BATH MAKES YOU LOOK AND FEEL FRESH. Says a glass of hot water with phosphate before breakfast keeps illness away.

Physicians the world over recommend the inside bath, declaring this is of vastly more importance than outside cleanliness, because the skin pores do not absorb impurities into the blood, causing ill health, while the pores in the ten yards of bowels do.

Men and women are urged to drink each morning, before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it, as a harmless means of helping to wash from the stomach, liver, kidneys and bowels the previous day's indigestible material, poisons, sour bile and toxins; thus cleansing, sweetening and purifying the alimentary canal before eating more food.

Those who wake up with bad breath, coated tongue, nasty taste or have a dull, aching head, sallow complexion, and stomach troubles who have bilious attacks or constipation, should obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to show the value of inside bathing.

THOUSANDS HAVE KIDNEY TROUBLE AND NEVER SUSPECT IT. Applicants for Insurance Often Rejected.

Judging from reports from druggists who are constantly in direct touch with the public, there is one preparation that has been very successful in overcoming these conditions. The mild and healing influence of Dr. Kilmor's Swamp-Root is soon tested. It stands the highest for its remarkable record of success.

An examining physician for one of the prominent Life Insurance Companies, in an interview of the subject, made the astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease. It is on sale at all drug stores in bottles of two sizes, medium and large.
