

NEARLY HALF OF HASKELL ELEVEN CARLISLE MEN

Five Linemen Formerly With Carlisle Team—Kalama Was Center Star in A. E. F.

Creighton gridiron fans are "shaking hands with themselves" over the result of the Creighton-Haskell Indian game at Creighton field Saturday.

Haskell came here undefeated. The Indians had a string of six victories hanging from their belts among them Oklahoma Aggies and Miners and Baker university.

Five Carlisle Players.

Five Carlisle men who forsook the eastern Indian institution when the government banned football there, occupied positions on the Haskell line. Hood and Lassa, guards; Kipp, tackle, and Nori and Davis, ends, were all regulars on the Carlisle team in 1917. Kalama, the center, was heralded as the best center Haskell ever had, surpassing even the great Stover, who featured the play of both Carlisle and Haskell, alternately, for years. Kalama starred on the Fifty-fifth division team in France and was known as one of the best line men in the A. E. F.

Haskell's five Carlisle men and the far-famed Kalama were all the advance "dope" held them up to be. Nevertheless, they weren't the source of Creighton's chief worry. A 19-year-old freshman at the Haskell institute, his adopted name Anderson, an inherited name being impossible for ordinary tongues, commanded the attention of every man on the Creighton team. Sometimes he hit the guards, sometimes the tackles and sometimes he skirted the ends. But all the time he was good for a gain.

Proud of Efforts.

Creighton followers reviewed these facts yesterday and felt proud of the efforts of their team against the Indians.

It was Haskell's seventh game this year. Haskell opened the season by defeating Camp Funston, 35 to 0. Kansas University of Commerce fell before the Indians, 71 to 0. The Redmen carried off the scalp of Baker University the following week, score 9 to 0 and a week later defeated Oklahoma A & M, 12 to 3. Wentworth military academy lost to the Redskins, 37 to 0 and Kansas Wesleyan took the short end of a 20 to 6 score. Then Creighton came along and tied the Braves from Lawrence.

Creighton's 1919 record to date is two the games and one victory. When the Blue and White tangles with Colorado college next Saturday they will probably meet the strongest team they have faced this year. The Colorado collegians defeated Colorado School of Mines last Saturday, 7 to 3, and the local eleven realizes that they are going to lock horns with a real foot ball team when they meet the Westerners.

FAMOUS MOVIE STAR IN NEW ROLE, OWNER OF LEAGUE BASE BALL TEAM—

Few people know that besides his interests in the "movies," Roscoe ("Fatty") Arbuckle is the owner of a pennant winning base ball team. Well, he is. "Fatty" is owner of the Vernon "Tigers," pennant winners of the Pacific Coast league, a class A minor league which recently closed its season. The photo shows Owner Fatty registering "dejection" during a game in which his idols were trounced.

Nebraska Collegiate Grid Teams Play Great Games

York Is Admitted State Champion Eleven, with Wesleyan Probable Runner-up; Three Games Scheduled This Week with Doane, Peru and Wesleyan—Hastings Featuring.

By KARL LEE.

Lincoln, Nov. 2.—(Special).—The caliber of foot ball now being shown by state collegiate grid teams is admitted universally as being of a brand as excellent as that of any big league foot ball circuit in the country. This was proven conclusively in the titular contest at York on last Friday.

Coach Beck's Methodists and the York champs, coached by Ernie Frank, ex-Cornhusker star, played one of the best games seen in this state in many years. The Methodists went down to defeat, it is true, but the crowd that attended thought their money spent, well worth the spending. And this play characterizes the general run of effort by state collegiate foot ball eleven.

York State Champions. York is now state champion. There is little possibility that Kearney Normal, the only other team in the conference which has a clean record of no games lost to its credit, will defeat the present admitted champions when they meet in the latter part of November. Yet some mighty close, hair-raising games are expected.

Wesleyan will probably be runner up. After the York-Wesleyan game, Coach Ben Beck of the Uni Place has announced definitely that so far as he was concerned Wesleyan and York would never meet in a grid game again. The Wesleyan coach has the idea that certain charges of inelegibility charged against some of the York players by Hastings college have adequate foundation.

Splendid Aggregation. The York team is a splendid aggregation from stem to stern. At least three men who are important cogs in the western city machine are of all-state caliber. They are Myers, end, Bowers, quarterback, and Panek, halfback. The latter, Abe Panek by name, hailing from Kearney, where he starred as a high school player, is a plunging demon, probably as good as any back who has shown in the state's history. Carr, Wesleyan center, is also all-state.

HARRY WILLIAMS IS SIGNED UP FOR THREE MATCHES

Local Heavyweight Boxer's Manager Arranges Trio of Contests, to Take Place Within Six Weeks.

Following the sensational bout with Billy Uvick at Council Bluffs, Saturday night, Promoter Al Fiori engaged Harry Williams for a return bout with Uvick for Thanksgiving day. Uvick and Williams made such a hit with the boxing fans that there was talk among them for another bout between the two and Fiori, thinking to please his patrons, immediately took steps to sign them for another bout.

On November 15 Williams will meet Capt. Bob Roper, the United States army boxer, in a 12-round mill at Sioux City, Ia. Last Friday Williams made a long auto trip to the sporting city of your Omaha Walthill, Neb., to box George Lampton, the crack Indian boxer. Harry and his manager were directed on the wrong road a number of times and they landed in Walthill after midnight, nearly frozen and so stiff they could hardly climb out of the car.

Stop the Bout.

Stepping out of the car, practically into the ring, Williams endeavored to fill the engagement, but when the bout had proceeded four rounds and Harry had decidedly the worst of the going up to that time it was decided to halt matters and get the men together at a later date. The bout was stopped after four rounds and the men were rematched for the evening of December 1 for an eight-round mill.

A stiff course of training will be mapped out for Williams by his manager and he will be in tiptop form for all of his coming battles. When the Walthill scrap comes off Harry will spend Friday night at Sioux City and travel the 20 miles to Walthill on Saturday morning in order to prevent a recurrence of last Friday's performance.

In justice to Williams it should be stated that he arrived in Omaha at 7 o'clock Saturday evening and when he stepped into the ring against Uvick he was tired and sleepy from his long trip from Walthill. He was advised to call the bout off, but persistence in keeping his word and going through with the bout, which won him a host of friends among those who knew the circumstances.

Central High Eleven Meets Beatrice High Saturday

The High school gridiron treat of the season will be given to the foot ball fans next Saturday afternoon, when the Central High school eleven will meet the fast and snappy squad from Beatrice in their annual game. Both of these teams are contenders for the state championship and a defeat will put either out of the race. This will be one of the hardest fought contests of the season.

Each team has been waiting for this most important game of the season. For the first time in seven years have a chance to defeat their ancient rivals. The Beatrice squad has cleaned up in their part of the state and has eliminated many prospective teams out of the running for the state honors.

Last year Beatrice won from the local lads, 35 to 0, but whatever the outcome may be, no score of such proportion will be played up this year, in the estimation of foot ball followers, who have seen both teams play. A close contest is expected and should either team make a heavy score it will be a surprise to many pigskin followers.

Young Knights of Zion Team Defeats Central School, 62-0

The reorganized Young Knights of Zion foot ball team defeated the Central School Stars Sunday by the heavy score of 62 to 0. The Young Knights of Zion squad has been completely reorganized since their last battle.

The Stars were outclassed by the Zion lads in every department. The intercepting of many passes by the Zion lads helped them to make such a large score. Clean playing was the feature of both teams, neither having been penalized for unsportsmanlike play. The Zionists, who have been playing excellent foot ball this season, wish to play any team that every investor should have.

Any out of town teams that wish to play the Knights may schedule a game by corresponding with Harry Kneeter, 601 South Eighteenth street.

Des Moines Foot Ball Team Wants Game With Omaha's Best Eleven

J. Lazarus, manager of the Iowa Cord Tire Foot Ball club, writes to the sports editor expressing a desire to meet the best foot ball team in Omaha. Lazarus' letter follows. Manager Lynch of the Nonpareils may be able to book another game through this notice.

"At this time of writing will say that the Iowa Cord Tire company foot ball club, contenders for the state championship, are in position and would like to arrange a game with the best team in the city of Omaha, game to be played here in the city of Des Moines, Ia., for Thanksgiving day, November 27, 1919.

"We have one of the greatest teams ever organized in the city, composed of college, high school and star A. E. F. men who are all in for the love of the sport. We have thus far this season defeated Earlham and Annapolis, Ia., teams and last Sunday defeated the Hawkeyes, one of our strong rivals for the city championship, by the score of 26 to 0.

"As to the best team in Omaha, we are willing to leave it to the sporting editors of your Omaha papers as to what club shall make the trip. Our best guarantee that we could give is a guarantee of expenses for 17 men and a privilege of 60-40, win, lose, on the net gate; that is, after all expenses are taken out of the game. We have been drawing from 700 to 1,200 people out to the games and feel sure that a game with the best amateur team in Omaha should bring out a wonderful crowd. Trusting to hear from you at once regarding the possibility of bringing one of your teams here for a game and thanking you in advance for a prompt reply."

OHIO ONLY TEAM UNDEFEATED IN WESTERN CIRCLE

Saturday Upsets Startle Foot Ball Followers—Illinois Accorded Slim Chance Before Game.

Chicago, Nov. 2.—As a result of the startling upsets Saturday in the race for the western conference foot ball championship, Ohio State tonight is the only undefeated eleven remaining in the struggle. But if the upsets are to continue, Purdue may defeat Ohio State next Saturday and put the Buckeyes in a complicated tie for the "Big Ten" honors.

Before Saturday's game few shrewd followers of foot ball gave Illinois a chance to down Chicago, and only a scattering believed that Minnesota would triumph over Wisconsin. Still the Illini and Gophers displayed a brilliant brand of foot ball that was totally unexpected. Illinois' 10 to 0 victory over Chicago is attributed to Coach Zuppke's perfection of the close and open attack.

Gophers Come Back.

Minnesota showed a complete reversal of form in winning from Wisconsin, 19 to 7. The Gophers had anything but a brand of foot ball which warranted a victory over Wisconsin, having been held to a tie by Nebraska and being defeated by Iowa. The Minnesotans apparently have struck their gait and from now on undoubtedly will be a hard aggregation to beat.

Northwestern fumbled a wonderful opportunity to triumph over Michigan and lost, 16 to 13, after outplaying the Wolverines for the first three periods.

Notre Dame won a well earned victory over Indiana, 16 to 3, in a game which gave the South Bend

Norman Ross Shatters American and World's Swimming Records

Honolulu, T. H., Nov. 2.—(By The Associated Press).—Norman Ross broke an American and a world's swimming record (open water) here in the annual fall swimming meet. He swam 880 yards in 11 minutes, 12.25 seconds, breaking the American record by 14.25 seconds. He then continued swimming to 1,000 yards, which he did in 12 minutes, 44.35 seconds, breaking the world's record by 7.25 seconds.

High School of Commerce to Meet Columbus This Week

Coach Drummond of the High School of Commerce foot ball squad will have his warriors tangle with the eleven from Columbus, Neb., this week. With only one defeat registered against them and four victories to their credit, the business lads are determined to play the season out without losing another game.

In the game with Harlan, Ia., Saturday the business lads emerged victorious, running up a total score of 85, while their opponents did not reach their goal. Most of the second squad men were used in this game, because Coach Drummond wanted to save the first team men for the Columbus game this week. It is hoped by the coach that "Red" McNaught, who cracked his collar bone last week, will play in the Columbus game. He played a tackle position on the team before he was injured.

Play Tie Game.

The Riverview Parks and the U. P. Headquarters played a 6 to 6 tie game of foot ball Sunday.

even a strong hold on the Indiana championship. Purdue won from the Michigan Aggies, 13 to 7.

Ames added to the surprises of Saturday by defeating Nebraska, while Iowa had no trouble in breezing through its game with South Dakota.

MIDWAY WINNER OF LOUISVILLE CUP HANDICAP

Stands Hard Drive at Finish and Hand Off Stockwell, Which Horse Set Pace All Way.

Louisville, Ky., Nov. 2.—Saturday results, closing day, Churchill Downs: First Race—Redlands, Don Tromp, Lancelot. Second—Keap, Alex Jr., Hostler. Third—Dresden, Prince Pal, Aluta. Fourth—Jack Haro, Top Coat, Riffa. Fifth—Midway, Stockwell, Regalo. Sixth—Lorena, Moss, Amelita, Wadsworth's Last. Seventh—Jim Hesterling, Midway.

J. H. Parish's sturdy son of Ballot, Midway, counted for the Louisville cup, at two miles, at Churchill Downs. He was forced to stand a hard drive through the final quarter to overcome Stockwell. Regalo finished third.

A big crowd braved the steady rain to witness the final afternoon of racing in Kentucky this year, and the sport was kept throughout, despite the miserable condition of the course. Only the sturdiest mud runners had a chance.

Interest centered in the Louisville cup and four mydlarks accepted the issue. Midway was favorite, but the others did not lack followers. Stockwell and Regalo made the early pace, but Midway always kept within striking distance and when Stockwell, after disposing of the filly, made his dash in front, Midway set sail after him.

Stockwell was leading by a length at the eighth pole, but Midway charged hard and won, going away. The 12 that opened racing proceedings at six furlongs were regarded as the best platers here, and resulted in a clever victory for Redland, on which Lyke had the mount.

Desert Auto Race On.

Bisbee, Ariz., Nov. 2.—R. B. Armstrong of Fort Worth, Tex., was the leader Sunday night in the first half of the transdesert automobile road race from El Paso, Tex., to Phoenix, Ariz. He arrived at Bisbee, the overnight control station, at 12:51 Sunday afternoon, his running time being six hours, 39 minutes and his average speed 41.9 miles an hour. Fifteen other drivers had piloted their cars here up to 7:40 p. m.
