"I think this ordinance will exercise a deterring influence and will prompt many of these women leave Omaha. We have rid Omaha of many immoral women,'

Mayor Smith said. Commissioner Falconer rose to nquire why Mr. Ringer referred only to women when speaking of the ordinance.

"It is meant to cover men and omen." Mr. Ringer replied. Mr. Zimman inquired why Mr. Ringer did not provide for "po-litical outcasts," as well as social outcasts in the ordinance. Mr. Zimman believed that many of the former class should be in jail.
