

OFFICIAL VOTE ANNOUNCED ON BOND ELECTION

Many Changes in Count, But None in Candidates—
Jerry Howard in Second Place.

A considerable change in the votes for Douglas county delegates to the constitutional convention is shown in the official canvass of the vote of last Tuesday, completed yesterday by Election Commissioner Moorhead.

The same 12 men are elected, however, as were shown successful in the unofficial count.

Jerry Howard is not "high man," the official count shows. That honor belongs to Charles L. Saunders, who has 4,195 votes. Jerry is a close second with 4,130 votes.

Lysle I. Abbott beat Alfred C. Munger for "low man" among the 12, nosing in with 3,182 votes, while Mr. Munger had 3,140. George A. Magney and Charles W. Sears received exactly the same number of votes, 4,009.

The official count shows the 12 successful candidates with the following votes:

Charles L. Saunders	4,195
Jerry Howard	4,130
George A. Magney	4,009
Charles W. Sears	4,009
A. J. Donahoe	3,996
Anson H. Bigelow	3,743
George E. Norman	3,647
I. J. Toel	3,635
C. F. McLaughlin	3,583
R. A. Wilson	3,528
Joseph T. Votava	3,269
Lysle I. Abbott	3,182

The official vote for the unsuccessful candidates was as follows:

James Allan	2,226
James H. Bulla	2,754
Vaclav Buresh	2,155
Robert C. Drucesdow	2,340
George E. Dyball	2,925
Albert W. Elmsler	2,583
Harry A. Foster	2,678
Charles Grau	2,828
Ed. E. Howell	2,885
Alfred C. Munger	3,140
James O'Hara	2,025
J. P. Palmer	2,417
Carroll S. Rainbolt	2,734
William C. Ramsey	2,618
O. A. Sinkie	2,777
John M. Tanner	2,476
George M. Tunison	2,423
Frank C. Yates	1,876
Isidor Ziegler	2,569

The total vote cast at the election was 12,110, a little more than one-fourth of the registered. There were 9,918 men voters out of about 35,000 registered, and 2,292 women voters out of about 4,500 registered. This shows that half of the women who registered voted, and about one-fourth of the men.

The \$5,000,000 school bonds were authorized by a vote of exactly three for the bonds to every one against them.

The \$100,000 city jail bonds were authorized by 594 votes more than necessary. These bonds require 60 per cent of the vote for their passage.

The bond vote was shown to be: For the school bonds, 8,492; against, 2,833.

For the jail bonds, 7,231; against, 3,831.

TIGHTEN RULES FOR CREATING NEW CITIZENS

Judge Puts All Applicants Through Rigid Cross-Examination on War Record

Three hundred men appeared before District Judge Wakeley yesterday, seeking naturalization as American citizens. Many of them found that admission to this country is not as easy as it used to be. Especially was this discovered by those whose records during the war were not blemished with patriotism.

Arnold Flesch, 2832 Franklin street, a salesman, said he took a sight-seeing trip to Alaska, where he registered under the draft law.

C. A. Musselman, N. H. Nelson, G. W. Noble, J. Dean Ringer, C. J. Shaw, N. J. Weston.

Direct Cable Service—The Western Union Telegraph company announces the resumption of its direct service with Holland, through restoration of the special wire between its London office and Amsterdam, which was requisitioned on the outbreak of the war, more than five years ago. This puts the cable service, so far as communication with Holland is concerned, back on a prewar basis.

Asks Habeas Corpus Writ—James Cummings applied to the district court yesterday for a writ of habeas corpus, alleging that he is held for authorities in Yellow Medicine county, Minnesota, who charge him with grand larceny. He says he applied to Governor McKelvie for a hearing to prove that he has committed no crime in Minnesota, but that the governor denied him the hearing and issued the extradition papers.

He was put in class 5-E, as an alien enemy.

"Did you claim exemption on the ground that you were an alien enemy?" asked A. H. Bode, United States naturalization examiner.

"Well, I saw in the paper that they wouldn't take men from Hungary and so I was put in that class," he said.

Judge Wakeley told him he could not be admitted now as a citizen of the United States.

Patrick Alphonsus Woods, chief auditor for the Cudahy Packing Co., was admitted to citizenship. He was born in Ireland. His two witnesses were J. J. Gillin, United States revenue agent and T. P. Smith, secretary of the Eldredge Importing Co.

Charles Frederick Walker, a city detective, was naturalized. He came from Canada when he was two years old and said he thought for many years that he was a citizen of this country, but found recently that he was not.

Michael Dempsey, former chief of police and John Moriarity were his witnesses. Under the present naturalization law, each applicant must have two witnesses who have seen him frequently for at least five years.

New Oath of Allegiance
The form of oath of allegiance has also been changed materially to correspond with present geographical conditions.

"Do you renounce allegiance to Germany, or any independent state formerly a part of the German empire?" is part of the oath of allegiance administered to former subjects of the Kaiser.

"Do you believe in anarchy or polygamy?" is another question asked of all. Mr. Bode asked many of them whether they were present in the court house mob the night of September 28. All denied that they were there.

The applicants for citizenship come from nearly every country except China and Japan, natives of which countries cannot be naturalized as citizens of the United States.

The work of examining the 300 applicants will take several days.

11 HENS IDLE; NOW LAY 221 EGGS A MONTH

Mrs. Young Almost Gave Up Raising Chickens. Then She Tried This Plan.

"When I accepted your offer and laid Don Sung, I had been getting 1 or 2 eggs every other day. The next month I laid 50 cents worth of Don Sung, my 11 hens laid 221 eggs. I almost gave up raising chickens, but now I have decided to raise as many as I can."—Mrs. F. C. Young, Bellefonte, Pa.

Feed is too expensive to waste on idle hens. You can easily start your hens laying and keep them laying, even in coldest winter. To prove it, all you need do is accept our offer, as Mrs. Young did.

Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, simply tell us and your money will be promptly refunded.

Don Sung (Chinese for egg-laying) works directly on the egg-laying organs, and is also a splendid tonic. It is easily given in the feed, improves the hen's health, makes her stronger and more active in any weather—starts her laying.

Try Don Sung for 30 days and if it doesn't get you 25 eggs, no matter how cold or wet the weather, your money will be refunded by return mail. Get Don Sung from your druggist or poultry remedy dealer or send 50 cents for a package by mail prepaid. Burrell-Dugger Co., 878 Columbia Bldg., Indianapolis, Ind.
