CONDITIONS TO PACT NOT ACCEPTABLE

Wilson Tells Hitchcock Adoption of Republican Senate Leader's Reservations Will Pigeonhole Entire Document.

UTTERLY IMPOSSIBLE TO CHIEF EXECUTIVE

Striking Out Reservation 15 Will Not Affect President's Decision, Democratic Leader Tells the Correspondents.

Decision by Wednesday

A decision one way or the other is planned for Wednesday, and under the cloture rule the leaders say it cannot be delayed beyond Thursday or Friday. Tomorrow the senate will remain in session until it has cleared away all proposed resolutions leaving nothing to do but act upon the ratification resolution itself.

Hope Given Setback

Hope of such a development had a setback later in the day however, when a number of the mild reservation republicans agreed to vote with the Republican Leader Lodge against consideration of any alternative resolution of ratification after the first one has been rejected.

Would Not Negotiate

He had intended to bring all the treaty's friends on both sides of the chamber into conference today, but he found the republicans unwilling to negotiate until they had completed the program to which they had agreed.

Peace Conference Much Interested in Senate Pact Action

Paris, Nov. 17.—The news of the adoption by the United States senate of 10 reservations to the German peace treaty was received with great interest in peace conference circles. The point apparently being most discussed by the delegates in general is whether the senate will ultimately insist upon the reservations being formally approved by the other governments as now specified in the preamble.

Belgian Cabinet Resigns

Brussels, Nov. 17.—The Belgian cabinet has tendered its resignation. King Albert asked the members of the ministry to continue in office until the results of Sunday's elections are definitely known.
