REGULATE SALE OF INSURANCE STOCK IN STATE

Detailed Rules Issued by Department of Commerce and Labor for New Companies.

Lincoln, Nov. 19.—(Special.)—New rules regulating the sale of stock in domestic insurance companies have been adopted by the department of trade and commerce, which also applies to all companies now licensed, now being organized or that may hereafter be organized in this state.

No foreign company will be permitted to offer shares of stock in Nebraska without complying. Companies seeking to offer shares of stock for sale in Nebraska must make formal application to the department of trade and commerce and accompany such application with a detailed outline of their plan of stock-selling campaign, accompanied by copies of stock-selling certificates, applications, agreements, etc.

No shares of stock can be sold by "companies in process of formation" above 135 per cent of par value without special permission. "Organization and promotion expense" including all commissions paid for sale of stock must not exceed 10 per cent of par value of shares.

The phrase "in process of formation" is held to mean all company activities leading up to the securing of license to write the classes of insurance set forth in the articles of incorporation.

The department will not approve contracts for the payment of commissions on sale of stock which contains a provision for the payment of an additional commission for "establishing the company in business."

"TWO AND THREE" "PUTTING THE NEXT ONE OVER" WITH "BUGS" DAER
SIXTY-FIVE THOUSAND loose nuts rattled up to New Haven to see Tiny Maxwell referee the Yale-Princeton tableaux vivants. When Tiny referees a game there are always three teams playing. The old boy only weighs about 400 pounds and a piano. He will never be outweighed until the Bronx Zoo puts a team of freshman elephants on the gridiron. Which ain't likely, owing to the lack of co-operation among the alumni of that Bronx institution of learning and peanuts.

CANNEFAX WINS BILLIARD TITLE IN M'COURT MATCH

Victor Has Won Eight and Lost One Game; Opponent Is Victor in Seven and Loser in Two.
Cleveland, Nov. 19.—R. L. Cannefax of New York is the new three-cushion billiard champion of America. He acquired the title through the defeat of Charles McCourt of Cleveland by Pierre Maupome of Milwaukee, 50 to 48, in 58 innings.

Thrilling Throughout
The night game was a thriller throughout. Maupome led McCourt 26 to 22 up to the 35th inning. He then shot ahead at a rapid pace until in the 51st inning he had 9 points against the Clevelander's 3. Maupome's next was a hard shot and he missed it by a fraction of an inch. After McCourt took two points, Maupome added another and McCourt missed. Both went scoreless until McCourt had 48 in the 58th inning, leaving a natural cushion first shot for Maupome. The Milwaukee player shot carefully and deliberately and the ball caromed around the table with barely enough force to kiss the white ball and eliminate McCourt. Both had high runs of four.

Saved Her Life Says Mrs. Gaines After Recovery
Bedridden for Weeks—Before Tanlac Restored Her—Now Does Own Work.
"Yes, this Tanlac saved my life, and my husband here will tell you the same thing, too," said Mrs. C. A. Gaines, a retired farmer of Minier, Ill., as she pointed to a bottle of Tanlac in Stulliff & Case's Drug Store, in Peoria, recently. Continuing she said:

"Why, when I started on this medicine I had been down in bed for weeks with nervous prostration and a general breakdown. For long hours I could not eat a thing but liquids and every day I got weaker, and finally was so bad off I would become unconscious and have terrible sinking spells and there was little hope of my recovery. This condition had been gradually coming on for some time. I would become dreadfully nauseated after each meal and could rarely ever retain a thing I ate. Now, all this was before I got completely down, and I gradually went from bad to worse until I had to take to my bed, as I told you before."

"My husband did all he could to find something that would help me, but everything I tried failed to do me a particle of good. At last some one advised him to get some Tanlac. He did so, and the very first night after I began taking it I rested better than I had in a long while, and I continued to improve. By the time I had finished two bottles I could sit up in bed and every one who saw me was astonished at my improved condition. Well, I kept taking it, and you see how well I look now. Why, I am in perfect health and can eat anything I wish to eat, with not even a thought of suffering afterward. No gas or dizzy spells bother me any more and all my other troubles have gone completely, and I now do all my own housework and never have that tired feeling I had for so many years. A medicine that will do what Tanlac has for me deserves all the praise one could give it, and I couldn't say enough for it if I stood here and talked forever."

Tanlac is sold in Omaha at all Sherman & McConnell Drug Company stores, Harvard Pharmacy and West End Pharmacy. Also Fryer and Meany Drug Company in South Omaha and the leading drug store in each city and town throughout the state of Nebraska.
