GIVE AWAY

Four
Shetland Ponies
In Toyland

But you couldn't think of a little boy or girl who wouldn't like to own a Pony. Well, it is possible—and without paying a cent for one, either.

Here are four of the cutest, real, live, thoroughbred ponies you have ever seen. Oh, yes, we were going to tell you their names. Well, there's Judge—and Princess—and Fearnaught—and we mustn't forget General Lee. He's a dandy little fellow, just as gentle as can be.

Old Santa Claus

Will be in Toyland Monday

And he will show you the ponies and tell you how all four of them are going to be GIVEN AWAY ABSOLUTELY FREE, before Christmas.

Every boy or girl under sixteen who visits Toyland in the company of a grown-up can have one ticket in the drawing.

The New Model Nemo Corset

Is an Aid to a More Graceful Figure

This is the charming low-busted Nemo Kop Service Model No. 514; extra stylish. The front is so boned that the tension of the garters while standing and the position of the front steels and bones while sitting, cause the top of the corset to stand away slightly from the body.

Up-to-the-moment in every one of its graceful lines. The type of figure which requires confinement and reduction below the hips only, will find this model the ideal one; a very low bust and long skirt offers just the combination of virtues wanted, while elastic inserts at sides and back of corset-skirt control and slenderize the figure.

Nemo Kop Service No. 514, in fine pink cotton, sizes 22 to 36, at
