Unions and Business May

"Go Hang" the Boy Will

Probably Marry the Girl

but conditions throughout the country could be better, it

indicated in a dispatch in the Saturday morning news

which recites that a young union man, engaged to a girl,

not a member of the union organized among the employes

of her line of work, was prohibited from marrying her by

says her son, Silvera, has been informed by his local union

that he will have to give up his sweetheart, who is a non-

union operator at a telephone switchboard, and who took

a striker's place, or else get out of his own union. A dele-

gation from the union called on him and delivered the

rights and proprieties of the union, and the rights of the

boy and girl, would be more extensive than a prohibition

union is but one of the indications showing how far the

unions are going, and probably would go if given oppor-

nial of the justness of some of their demands, that causes

much of the opposition of such men as Judge Gary of the

steel trust to oppose unions, and this is having its effect

right to urge a higher wage, while it is debatable that it

has a right to deny this youth the wife of his choice, union

right, how much more so is it likely to be found in a mat-

ter in which it is admitted they have just cause for action.

will grow until it becomes unbearable, and it is this fear

which is preventing in some cases a quicker adjustment

of claims, and this in turn is conducing to the unsettled

out that the government would not permit one of its sol-

business conditions that are complained of.

diers to marry a woman of the enemy.

fraternizing with the Teuton maids.

tunity, in the arbitrariness of their demands.
