Tired, aching feet. Weak arches.

Bunions. Corns. Callouses.

Excessive perspiration and rheumatism in the feet.

A lot of this is caused by weak arches. Do you know that a large percentage of nervousness among the women is caused by the shoes they wear.

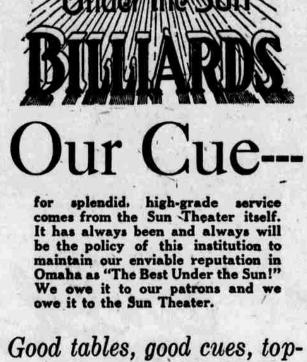

Come in and let us explain why this shoe is en-dorsed by the most prominent physicians in this country.

# Three Years Ago

The Sun Theater was little more than a beautiful edifice and an IDEA. Array of talent was not plentiful. Photography was faulty. But the Sun genius foresaw in this beginning a new and great art.

# Today

-that early faith is expressed in the concrete form of a beautiful theater, a service par excellence, pictures that represent the highest achievement of the art-all embodied in the institution-Sun Theater. Today-in Omaha blazons forth the Sun Theater banner, the emblem of excellence, the assurance of delightful entertainment, the mark of the acme in the progress of the silent drama! Today we celebrate a third anni ersary and

# To Our Friends

--we owe our phenomenal success—the public, which has responded so readily—the picture corporations which have given us such stars as Mae Allison, Tom Moore, Bessie Barriscale and Blanche Sweet-and the business concerns who have been loyal friends of this institution.

# The Future

-gives promise of cinema entertainment in the Sun, which in degree of artistic entertainment will surpass all prevailing standards and will add to motion picture history a new and triumphant chapter!

## The Bee's Free Shoe Fund

"He who gives to the poor Helps three: Himself, the suffering needy And Me."

You can help these three with a little of your money. And the satisfaction you get out of it will more than repay you, to say nothing of the comfort you give to the child your money provides with shoes.

Dozens of cases are waiting for the money in the fund to be sufficient to provide them with the shoes they so sorely need.

Must Make Claim.

"It was the most distressing case that has come before the compensation commissioner. The great draw-back to the law is the ignorance of the workers as to the existence of the law.

"The law provides that no pro-ceedings for compensation shall be

maintained unless claim for com-pensation shall have been made upon the employer within six months after the accident. In this case the accident happened Sep-pened September 26, 1918, and Mr. Hotz did not learn of the law until November 7, 1919.

# Socialists in Germany

Paris, Nov. 29.—(Havas.)—German democrats and socialists are urging the Berlin government to modify its attitude relative to prisoners of war and reparation for ships sunk by their German crews in Scapa Flow, according to dispatches from Berlin, published by the Presse de Paris.

It is said that members of the parties believe the government has

Burglars entered the homes of Richard Bacon, 625 South Thirty-seventh street, and George Pickrell, 2709 Jones street, and in each instance left without taking any

Entrance was gained into the basement of the Pickrell home through a broken window. The burglars cut the telephone wires and searched the basement. They were frightened away when Mr. Pickrell switched on a light in the kitches. The burglars were attempting to break through a door leading from the basement to the kitchen when Mr. Pickrell was awakened.

Silverware, fine cut glass and jewelry were overlooked in the Bacon home by a burglar who entered through a side window sometime Friday afternoon. Nothing was taken. Mr. Bacon believes the act was committed by boys, he said.
