HARMONY-WITH BLASTS.

Lincoln, Dec. 1 .- (Special.)-The reception room in the offices of the governor of Nebraska, Monday morning, presented a scene which was interesting. Mr. Zumwinkel,, the governor's handsome and diplomatic secretary, took unto himself a wife Thanksgiving day and when he came to the office Monday he brought his bride with him.

When the couple reached the door of the office they were met by a beautiful rendition of the bridal march given by the young ladies connected with the office, whose sweet voices chimed in harmony with the frigid blasts of winter coming through the cracks in the building and around the windows. Colonel Presson informed the couple that according to the league of nations, the ceremony performed on Thanksgiving day was non compus mentis e pluribus unum and therefore it would have to be done over again.
