CONVENTION TO BE KEPT WARM WITH HOT AIR

Idea Expressed Regarding Representative Place Where Constitutional Delegates Will Meet.

Lincoln, Dec. 1.—(Special)—Members of the state board of public lands are of the opinion that they will be able to keep the old born, known as representative hall, fairly comfortable with what hot steam they can force through the radiators and the hot air which will naturally come during the session where so many orators are present.

It is not likely that the constitutional convention sessions will be very long at first, and from 9 in the morning until 4 in the afternoon will probably be about all the time the session will take until the committees have reported their work.

The members of the convention are beginning to arrive and the hotel lobbies are putting on a sort of legislative condition. Candidates for office are fairly numerous and also fairly active. There appears to be no new candidates other than have been mentioned, although Rev. A. A. Cressman, chaplain of the senate, is on the ground and would not object to praying for the convention members with the same success that he prayed for the senators.

Just how many employees will be needed it is hard to tell. There will be besides the president and secretary, a sergeant-at-arms and probably an assistant and a postmaster. A chaplain, of course, will probably be engaged. It is thought that a committee may be appointed to settle the matter of employees just as soon as it is discovered what is wanted.

Extradited to Illinois.

Lincoln, Dec. 1.—(Special)—Stewart Hogan, in custody of the sheriff at Fremont, is wanted by the authorities of Franklin county, Illinois. A requisition came to the office of the governor asking for his return, which was granted. Hogan is charged with assault and robbery together with two other men who have disappeared.

Omaha Boy Scouts Are Not Handicapped by Present Coal Famine

Numerous Boy Scout troops will continue their regular weekly meetings at the homes of their scout leaders and other troops are planning meetings in the form of sleighing and coasting parties. Other scoutmasters are taking advantage of the present situation to do intensive work with their patrol leaders.

Local scout officials are bending every effort to meet the emergency caused by enforced school vacation. A winter camp is contemplated at Camp Gifford. Stoves and other necessary material have been purchased and are now on the road to the camp. Local headquarters promises a definite announcement within the next 24 hours. In the meantime, all scouts are urged to remember their good turns to any people who may be suffering for want of heat.

Scout troop No. 10, will meet at the home of the scoutmaster, G. W. Uhrich, 4339 Leavenworth street, regularly each Monday evening, until further notice.

Fate Intervenes and Firemen Are Too Late

Superior, Neb., Dec. 1.—(Special Telegram).—The worst fire ever experienced in its residence district, occurred Sunday at the home of L. C. Stanley, cashier of the Citizen's State bank. The entire family was at church. Neighbors on either side were away so that the fire had made good headway before it was discovered.

Owing to the deep snow and the fact that many streets were torn up, and the wrong address being given the fire department, the house was completely gutted by the time the firemen arrived.

House and furniture are an entire loss, but partially covered by insurance.

The fire is presumed to have been caused by an overheated furnace.

Negro Lynched.

Macon, Ga., Dec. 1.—An unidentified negro was lynched near here after he had shot and seriously after Hansel Rosier, jr., a farmer's son. The mob worked so quietly that the neighborhood knew nothing of the lynching until the negro's body was found hanging from a tree near a church. Rosier will recover, physicians said.

Omaha Thief Robs Store Three Days After Getting Parole

Lincoln, Dec. 1.—(Special)—George Floth, sentenced to the state penitentiary for holding up a man in Omaha and paroled recently, has been identified as one of the men who pulled off a hold-up in Lincoln Wednesday night and robbed the Corner Grocery of \$150 taken from the cash register.

Roth was paroled only last Monday after serving a minimum sentence of three years. He is considered a dangerous man and will probably be sent back to the penitentiary. He is at present in the Lancaster county jail.

GETTING "HEP" TO THE GOOD EATS

A Host of Dyspeptics Can Get Back to the Old Days of Freedom by the Simple Expedient of a Stuart's Dyspepsia Tablet After Meals.

"Gosh! I never knew before how good these little pork sausages were." Thus says the man who thought his stomach was gone for all time, but who tried the simple expedient of a Stuart's Dyspepsia Tablet after eating. And with this for a starter, he goes in for a cheese sandwich, a piece of hot mince pie, cats ham and eggs—in fact he forgets his stomach and thinks only of the energy and good feeling that follow eating the foods that make most people ravenously hungry even to think of them. And all of this without sour risings, no gas, no belching and none of that drowsy heaviness that so often follows indigestion. Try these tablets after eating. They are used extensively wherever good eaters are found and are on sale almost everywhere in the United States and Canada.

MRS. CAMPBELL VERY NEAR LOST USE OF HER HAND

Rheumatism and Other Troubles Began to Disappear After Taking Tanlac.

"There's no mistake about Tanlac being a real medicine, for nothing but a real medicine could do what it has for me," said Mrs. Hattie Campbell, of 1808 Grace St., Omaha, Neb.

"Beginning with indigestion four years ago," continued Mrs. Campbell, "my troubles multiplied till my life became one of constant suffering. Everything I would eat soured on my stomach and almost tortured me to death. The gas would press on my heart at times so I could hardly breathe and I would almost smother. I suffered from heartburn and had nervous sick headaches and was so dizzy that I would almost fall every time I stooped over. I had rheumatism in my hands so bad that my fingers were all bent over, and at times they would become so numb as to be almost useless. My appetite was poor and I fell off from one hundred and thirty pounds to ninety-four and nobody will ever know how much I suffered.

"I was in an awful fix, and while I tried everything recommended, I found no relief until my sister and some of my friends got me to take Tanlac. While on my second bottle my appetite returned. I could eat most anything I wanted, and other troubles began to leave me. I have regained sixteen pounds of my lost weight and am now able to eat anything I want without suffering from gas or indigestion afterwards. My hands and fingers have become supple again and I hardly notice any rheumatic pain in them. Those headaches and dizzy spells are gone and I have improved so much that I hardly feel like the same person."

Tanlac is sold in Omaha at all Sherman & McConnell Drug Company's stores, Harvard Pharmacy and West End Pharmacy. Also Forest and Meany Drug Company in South Omaha and the leading druggist in each city and town throughout the state of Nebraska.—Adv.
