## South Side **WOUNDED WOMAN** REFUSES TO TALK **ABOUT SHOOTING**

Complaint to Be Filed Against Mrs. Tollis, Charging Her With Causing Death of Her Husband.

A coroner's jury recommended Tuesday in the inquest held at the Johnson undertaking rooms, 2518 Lake street, over the death of John Lollis, negro, 2505 N street, shot and fatally wounded in a shooting af-fray at the Lollis home, early Sunday morning, and who died Sunday afternoon at St. Joseph's hospital, that his wife, Mrs. Bertha Lollis' connection with the shooting

be further investigated, if she lives. Mrs. Lollis is suffering from a wound, also received in the shooting affray and is an inmate of St. Joseph's hospital. There were no witnesses to the affair. Kelly Tooks, a roomer at the Lollis home, testified at the inquest that he did not see the shooting and his only connection with the case was that he called for a physician at the re-quest of Mrs. Lollis shortly after the shooting.

Lollis is said to have died without making a post mortem state-ment and Mrs. Lollis positively refuses to make a statement, being mute to all appeals of the police to tell her version of the affair. When taken to the hospital Tollis' wounds were not considered fatal, but a bullet entering the left thigh is said to have ruptured an artery, causing him to bleed to Before being taken to the hospital Tollis told the police his

wife had shot him. According to a statement made by attaches of the county attorney's office, a complaint will be filed against Mrs. Tollis, charging her with mur-

Kearney Stockmen Roused

At Forced Ride In Open Car

From Omaha to the stockyards fin an open gondola coal car was the experience of 22 stockmen that arrived on the South Side Sunday from Kearney, with a trainload of live stock, according to the complaint of G, W. Mueller of Kearney, who brought in two cars of lambs.

"We came in on the Union Pacific and when the train reached the yards near the Union station, we were ordered out of a warm caboose, without explanation, and told to get into the coal car," said Mr. Mueller.

BEEF COWS. 7..... 982 6 50 54..... 912 7 25 Wheat and Flour... 607,000 Oats ..... 184,000 HEIFERS. . 618 7 00 8..... 873 7 60 . 877 8 25 10..... 845 9 50 the corn market today resulted largely from anticipation of the passage of the Edge foreign finance bill. Prices closed buoyant, 1%c to 3%c net higher, with January \$1.38% to \$1.38%, and May \$1.34% to \$1.38%, and May \$1.34% to \$1.35. Oats gained 1%c to 3%c and provisions 50 cents to \$1.60.

Builish sentiment as to corn began to develop as soon as trading opened. At first, the chief factor was the meagerness of receipts together with the prospect that owing to preference given to coal on the railroads, no increase of supplies would be looked for in the immediate further. Higher quotations on hogs tended further to lift prices, and so likewise did an advance in sterling. Then came gossip that the enactment of the Edge bill was assured. At once demand broadened out, especially as it was announced that the president would sign the bill without delay and that export sales of wheat and cats to France had already commenced.

Heavy buying on the part of houses with seaboard connections made oats even stronger than corn. Cash lots commanded the best figures yet this season.

Provisions scored the steepest ascent in some time. The causes were the same that gave impetus to grain. CALVES.
