The Little Theater Is Like Eating Spinach, Says Writer

"It's not so much a question of inspiration as a question of work. Whether it's writing plays or doing anything else it's hard, steady and systematic work that wins out."

The Woman Vote

Both political parties are exerting all their efforts towards winning the woman's vote, as 17,000,000 women live in states which have already granted full or presidential or full primary suffrage to women.

Prominent Women Named By Chairman Devoe For Nebraska

Mr. Robert W. Devoe, chairman of the republican state central committee, announces the appointment of the following republican women of Nebraska on the republican national committee: Mrs. M. D. Cameron of Omaha and Mrs. E. G. Drake of Beatrice have been named as Nebraska's representatives on the committee of one hundred of the women's division of the republican national committee.

Music and Children. There is good reason to believe that music is the oldest of arts—older than the human race. It has its roots even in subhuman sources, for many animals give evidence of enjoying soft, harmonious sound and rhythm.

Through music, the child, partially and unconsciously at first, but more definitely as the years go by, enters into the unseen world of beauty. Not only this, but in music he also finds a means of expressing the otherwise inexpressible.

The study of music not only gives invaluable exercise to the mind; it also refines the whole nature. Watch a crowd of streeturchins listening to the right sort of music and see how utterly the spirit of hoodlumism is banished.

By no means least of the benefits bestowed by music is that of bodily grace. The kindergarten youngster who sways gently to and fro as the songs of the wind among the flowers, the child who enjoys some sturdy folk-song and dance, the older girl who interprets Chopin through rhythmic motion, all of these are acquiring bodily grace and health, a mind and body harmoniously attuned.

Press Chairman. Mrs. J. W. Devoe of Cambridge is the newly appointed press chairman for the Nebraska Federation of Women's Clubs.

Battle Hymn of the World. Our thanks we raise, O Lord of Hosts, In gratitude to Thee Whose mighty arm has given us strength To win this victory. We stand by all, thy banner still, Do not withdraw thy hand Till subtle foes thy will fulfill Throughout our peaceful land.

club, on the board of the Nebraska State Federation and is at present Nebraska's director on the general federation-board. As chairman of the civil service reform committee of the Nebraska Federation of Women's clubs in 1915, Mrs. Cameron collected photographs and made a series of slides giving views of Nebraska state institutions which were used throughout the state in a most effective campaign, looking toward establishment of state institutions under a board of commissioners. Mrs. Cameron has been identified with the Omaha Society of Fine Arts, Omaha Drama League, Y. W. C. A., W. C. T. U. and was the first woman to be appointed on the board of trustees of the Nebraska school for the blind at Nebraska City and the school for the deaf at Omaha.

Perhaps no woman is better known throughout Nebraska than Mrs. E. G. Drake of Beatrice. She has served as a member of the Beatrice board of education for six years, and was president of that body for three years, and for 10 years president of the Beatrice Woman's club. She served as president of Nebraska grand chapter of the P. E. O. Sisterhood, as national organizer, and as national president of the P. E. O. Sisterhood. Mrs. Drake was a member of the executive board of the woman's committee of the State Council of Defense, and a member of Nebraska's Liberty loan committee. She has served as state regent of the D. A. R. Mrs. Drake was elected treasurer of the Nebraska State Federation of Women's clubs at the recent convention, but has since resigned that office.

Mrs. H. L. Keefe of Walthill has been identified with the club and social life of Nebraska for many years, having served as president of Nebraska Federation of Women's clubs, director in the general federation and recording secretary of that body. She was a member of Nebraska's Liberty loan committee, and identified with various war activities. These women who represent so thoroughly the citizenship of their state are ardent republicans, who will participate in the council of the republican national committee.
