

ALL SEATS SOLD; EAST-WEST GAME AWAITS WHISTLE

Harvard and Oregon Grid
Warriors Are Eagerly
Waiting for Call
To Battle.

Pasadena, Cal., Dec. 31.—Harvard and Oregon university foot ball squads tapered off their training for the east against west foot ball game here New Year's day. Both teams did enough work to keep them in condition. Coaches expressed satisfaction with the condition of their men.

To all appearances Harvard players lost a little weight without sacrifice of condition in training here, while Oregon players laid on a trifle of flesh, this tending to equalize the weight of the opponents.

The weather Wednesday was cooler and more like that the Harvard players have been accustomed to. The prediction for Thursday is fair and cool.

The game has created the greatest interest yet shown in the annual east-west classic here. Every one of the more than 33,000 seats in the Tournament of Roses park has been sold.

Both Teams Ready.
Coaches of each team pronounce their men ready to give the best they have.

"Oregon is ready," said Coach Huntington tonight. "We deem it an honor to be the representative of the west in the struggle before us and whether the score goes for us or against us, remember we'll be fighting every minute."

"My men are in splendid condition," declared Coach Robert Fisher of Harvard. "Our training has been brief but sufficient. We'll deliver our best from the opening kick-off."

The foot ball to be used in tomorrow's game will come from the sky. Arrangements were made with a well known motion picture star to drop the ball from an airplane, which will take to the air a few minutes before the starting whistle blows at 2:30 o'clock. Several changes were made by each team in the lineup announced last night.

Changes in Lineup.
For Harvard A. Horvenc will start at left half instead of Humphreys, who will be held in reserve and it is thought by some probably will be put in during the latter part of the game.

For Oregon, Howard will play at right end instead of Williams at left guard instead of Mantz and Mantz at right guard instead of Harding. The latter will be held in reserve, according to Coach Huntington.

The game has created the greatest interest yet shown in the annual east-west classic here. As an indication of this, it is shown that 35 great newspapers scattered all over the country have sent their special sport writers here, five leased news wires have been installed in the press box, half a dozen commercial wires put in to carry the "specials" from the writers, and six specially equipped long-distance telephone sets arranged to handle news direct to nearby papers. A press box 120 feet long has been provided and all space assigned to working newspaper men and operators. With such an aggregation of foot ball wisdom on hand it is possible to get any sort of opinion that may be wanted about the probable outcome of the game, the winning period, the style of play, or any other of the burning points.

Pesek Throws Savage.
Chicago, Dec. 31.—John Pesek of Nebraska, used the toe hold to defeat Steve Savage of Chicago, in straight falls tonight. The time was 1 hour 27 minutes and 42 seconds, and 15 minutes, 36 seconds. The men are heavyweights.

Commerce High Squad To Play Athletic Club Five Friday Evening

Coach James Drummond announced yesterday that the High School of Commerce basketball team will play the Omaha Athletic club quintet in a practice game Friday evening at the Athletic club.

The Athletic club team is composed of many college stars, while the business school five is made up of last year's quintet that were runners up in the state tournament held in Lincoln.

Unusual basket throwing was seen yesterday afternoon when the business school lads continued their practice at the "Y" gymnasium. Frank Mahoney was the star of the day, shooting nearly every basket that he attempted.

Coach Burrell Evans, who will coach the second team, had his candidates out yesterday. Many of the candidates showed their skill yesterday when a scrimmage contest was held with a scrub team that was picked at the "Y."

Coach Evans said yesterday that the defeat that the Bowen Furniture quintet gave them Tuesday made the candidates work all the harder. Several trips will be made by the second team this year.

SENATE MEMBERS DOWN TO CASES ON PEACE TREATY

Find, However, That Article
Ten Contains Stumbling
Block to Agreement.

Washington, Dec. 31.— Getting down to cases in their discussion of a peace treaty compromise, republican and democratic senators found that Article Ten continued a stumbling block in the way of an agreement.

Senate leaders of both parties again were active in the negotiations and the succession of conferences indicated that the situation might take more definite form. It was said that although no agreement was in sight, the sifting process had cleared many collateral points and had centered attention on a few reservations, notably the one relating to Article Ten.

Several Suggestions.
It was the reservation on this point as framed by the foreign relations committee which President Wilson characterized as meaning a rejection of the treaty. Determined to get some modification, democratic senators have presented several suggestions, but all so far have been regarded on the republican side as going too far. The republicans in turn have suggested changes which the democrats regard as modifications of language only.

Three conferences attracted particular attention among the many which were held today. Senator Lodge of Massachusetts, the republican leader, went over the compromise suggestions with Senator Pomeroy of Ohio, a democratic member of the foreign relations committee.

Later Secretary Tamm went to the capitol, and speaking for the president, discussed the situation with Senator Hitchcock of Nebraska, acting leader of the democrats. Tonight Mr. Hitchcock called in consultation all democratic members of the committee in town.

No Details Revealed.
Details of none of these meetings were revealed, but it was understood that specific reservation changes were discussed and that in each case article ten figured prominently.

The meeting tonight of the foreign relations committee democrats was understood to have taken steps to reduce to a definite form democratic proposals for redrafting the republican reservations. The subject was considered in the light of the information obtained during the day by Senators Hitchcock and Pomeroy, and with a view to framing a program behind which the administration forces could unite.

It was the first attempt of the democratic committee members to get together on such a program. Those present declined to discuss the meeting, but said some progress had been made.

South Side POLICE DOUBT MAN'S STORY OF \$15,000 HOLDUP

Say Szezeyski "Would Have
Gone Crazy if He Had
Lost That Much
Money."

South Side police question the truth of the story told them Wednesday afternoon by Hypolit Szezeyski, 1602 Missouri avenue, that he was held up and robbed at 8:30 Tuesday night on the Sarpy road near the Sarpy mills in Sarpy county, and \$13,000 and four \$50 Liberty bonds taken from him by three highway robbers.

"I have known Mike Szezeyski, the name he went by at the Cudahy plant, for years," said Captain of Police John Briggs. "If he had lost that much money, he would have gone crazy and killed himself. He said he had the money in \$100 bills in a small envelope in his inside coat pocket, and any one knows that \$300 bills would make a large roll or package."

"Mike married a widow woman by the name of Fannie Draguna about eight years ago, and I understood she applied for a divorce about a week ago. I am satisfied Mike framed a robbery story to tell so he would get out of paying any alimony if ordered by the court."

"When I questioned him his story did not hang together. He had a handkerchief on his head, but showed no signs of having been hurt. His description of the robbers did not sound good, and his cool manner in telling of being robbed was enough to convince me that the story was false."

In his report to the police the alleged victim of robbers said he was on his way to visit a friend, Joe Tex, a farmer, and was robbed on his way there. He said he continued to his friend's house and stayed all night, failing to report the robbery until Wednesday afternoon.

Suggests Commission Meeting Be Postponed To Schedule Meet Day
New York, Dec. 31.—John Heydler, president of the National league, suggested to Ban Johnson, president of the American league, that the annual meeting of the national commission, scheduled for Monday in Cincinnati, be postponed. Heydler advised Johnson that it would be impossible for him to be in Cincinnati because of personal business.

The date of the annual meeting of the national commission is fixed in the national agreement as the first Monday in January, when the two major league presidents shall elect a chairman. Heydler suggested that this meeting be held at the same time that the joint schedule committee meeting is held.

The Bee's Free Shoe Fund

"A Merry Christmas and a Happy New Year to The Bee Free Shoe Fund from the scholars of the Congregational Sabbath school of Beemer, Neb."

That is the greeting that accompanies a check for \$25 sent to the fund by Dr. William L. Crosby, superintendent of this generous school.

The children, says Dr. Crosby, decided that rather than have gifts for themselves, they would give the money to buy shoes for poor little children.

And we're sure they enjoyed their Christmas all the more because they know of the little feet their gift will keep warm this winter.
