CADILLAC USED CAR DEPARTMENT

. Safe Place to Buy

Thoroughly rebuilt Cadillacs (actually RE-NEWED, should not be considered used cars. They are as good in many cases as brand new Cadil-

lacs, and perhaps better for you to buy than used cars, or even cheaper new cars which would not stand the service you demand from the use of an automobile. Prices on automobiles are constantly increasing. Take advantage of our wonderful sale, at which you will find every size of nearly every make of good motor car. Besides the Cadillacs, we have reconstructed many cars of miscellaneous makes. We have been months in preparing these cars for this sale and are confident that them you will realize how good used cars can be made, how well they can be made to operate and how satisfactory a really "rebuilt" car can be made and how nearly new it can appear.

You can save money-hundreds of dollars-by buying a used car from us now, even if you have no use for it right at this time. The best pick is yours now in the middle of the winter when used car buyers are Come-inspect our display and see for yourself what we offer!
