How to Keep Baby Smiling and Well

See that the daily functions are regular and normal

YOU can't expect the little ones to be happy and playful when the head feels dull and the stomach bloated. The normal habit of children is to be happy and when you notice them cross and fretful you will usually find constipation is responsible.

Perhaps they have missed that daily function so necessary to comfort and health. Look at the tongue and see if the breath is bad. Watch for belching. These are the tell-tale symptoms of constipation. Tonight give a little of Dr. Caldwell's Syrup Pepsin, which you can buy at any drug store, and it will set in the morning and the troublesome symptoms promptly disappear.

of being without a bottle in the house for the emergency arises almost daily when it is needed.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin. Unlike the harsher physics it acts gently and without gripping so that while grownups can use it freely it can also be given to a tiny baby with perfect safety. Thousands of American families would not think

COUGHED NIGHT AND DAY FOR TWO YEARS

Mr. Parkhurst found quick relief from chronic bronchial trouble.

"Two years ago, I had a gripe which left me with a bad cough. Finally this became chronic bronchial asthma, and four doctors said it could not be cured. I commenced taking everything my friends recommended, but I got worse instead of better. For two years, I was unable to do any work except to cough constantly night and day, which was the hardest work I ever did."

"Finally I got hold of Milk Emulsion. It benefited me so much, right from the start, that it came as a God-send. In two months I was perfectly cured. I gained in health, strength and flesh rapidly."—J. M. Parkhurst, Leon St., W. Terre Haute, Ind.

Coughs like this seldom yield to local treatments. The surest way to reach them is to build up and strengthen the whole system. For any obstinate cough, Milk Emulsion is a remarkable remedy.

Milk Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Milk Emulsion is strongly recommended to those whom sickness has weakened, and is a powerful aid in restoring and repairing the effects of wasting diseases. Chronic stomach trouble and constipation are promptly relieved—usually in one day.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children.

No matter how severe your case, you are urged to try Milk Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 80c and \$1.20 per bottle. The Milk Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.
