

PARTY SCARED AT WILSON AND BRYAN BREACH

Leaders in Washington Foresee Titanic Struggle for Mastery — Hitchcock-Bryan Break Unhealed.

By E. C. SNYDER, Special Correspondent of The Bee.

the statesmen-politicians who participated in the Jackson day eats and oratory are running their fingers through their tousled hair and with puckered brows are scanning the political situation within their party. Looming large upon the horizon of the future they see outlined there the figures of two masterful men—Wilson and Bryan—struggling for the domination of the policies of the democratic party in the coming campaign. Realizing as do these politicians in congress and others in the national management of the party that success at the polls in November, 1920, upon which so many thousand personal political fortunes are staked, is involved, they visualize a titanic struggle at the national convention June 28 next at San Francisco over the framing of platform and the writing of principles upon which the party will appeal to the voters in November.

Scared and Shocked. It was a scared and shocked array

of democrats that emerged from the banquet rooms of the Willard and Washington hotels at 2:30 Friday a. m., for they clearly foresaw the two most conspicuous figures of their party locked in combat and the party split wide open.

Having thrown a monkey wrench into the party machinery, Colonel Bryan left Washington Friday, his destination being Lincoln, Neb., to address the state constitutional convention. On his way he will stop at Chicago, Des Moines and Omaha to make speeches at political dinners. He will return to Washington by January 15 to help celebrate prohibition going into effect and will also make an address here at the Pan-American gathering January 19.

Mr. Bryan stated that he had nothing to add to his utterances upon the league of nations and the democratic policy thereon. He said he had no appointment with any democratic senators and for the present would make no suggestions to them. He had expressed himself fully last night, he said, and thought his remarks were clear enough.

Hitchcock Break Unhealed. Mr. Bryan said that the remainder of the winter he would spend his time principally at his Florida home with Mrs. Bryan, who is not in good health.

National Committeeman Arthur F. Millen, who has been suffering from Bryanism for some years, said Friday that the rumors of a reconciliation between Hitchcock and Bryan were "hot air" and had no foundation whatsoever.

"Just a lot of newspaper rot, that's all," said Senator Hitchcock's chief lieutenant and dispenser of party patronage.

Railroad Men of Britain Vote to Reject Settlement

London, Jan. 9.—The delegates of the Union of Railway Workers, in conference here today, decided to reject the government's terms for a settlement of the wage demands of workers in the lower grades. It was decided to refer the government's proposition back to the executive of the union for further negotiations with the government.

WORLD FAMOUS ARTISANS SPEND THE DAY IN OMAHA

Gather for Competition in Lincoln On New Capitol Plans.

World-famous architects were in Omaha yesterday on their way to Lincoln, where this morning they will meet the state capitol commission and enter the second stage of the competition to build the new Nebraska capitol.

"The first stage of this competition was open only to Nebraska architects," said Thomas R. Kimball, professional advisor to the capitol commission.

"Three Nebraska architects, in that competition, won the right to enter the second competition. Then seven other architects of fame were invited to enter the competition.

"This meeting is to bring together the 10 architects and the capitol commission. Each architect or firm will submit plans for the new capitol and then one of them will be selected as architect of the new capitol."

The three Nebraska architects who are in the running are Ellery Davis of Lincoln, John Latenser and Alan McDonald of Omaha.

The outside architects and firms which will be represented at the meeting with the commission are the following:

McKim, Mead & White, New York City; John Russell Pope, New York City; Bertrand Hoodhue, New York City; H. Van Buren Magdonigle, New York City; Tracy & Swartwout, New York City; Bliss & Faville, San Francisco; Paul P. Cret and Zantlinger, Borie & McDary, Philadelphia.

The state capitol commission consists of Governor McKelvie, W. W. Head of Omaha, State Engineer Johnson, W. E. Hardy of Lincoln and W. H. Thompson of Grand Island.

RUSSIAN REDS WILL APPEAR AT SENATE PROBE

Soviet Ambassador's Secretary Promises Startling Testimony on Summer Bomb Plots.

Washington, Jan. 9.—Subpoenaed signed by Senator Moses of New Hampshire were served on L. C. A. K. Martens, self-styled Russian soviet ambassador to the United States, and his secretary and spokesman, S. Nuorteva, calling for their appearance at the initial hearing Monday of the senate foreign relations subcommittee, charged with an investigation of Russian propaganda in the United States. Both accepted the summons.

Martens, for whom Department of Justice agents have been seeking with a warrant for arrest, it was said at temporary headquarters here of the "Russian soviet bureau," was served with the subpoena "at the home here of a friend." The subpoena was served at the offices of the "bureau."

Members of the subcommittee, which in addition to Senator Moses is composed of Senators Borah of Idaho, and Knox of Pennsylvania, republicans, and Pomerene of Ohio, and Shields of Tennessee, democrats, said that the examination of Martens and Nuorteva would occupy several sessions.

Nuorteva, in a recent statement, said that Martens was prepared to substantiate charges made by the "embassy" that certain planks in the communist and communist labor party platforms, which, he claimed, were the basis of the recent raids and of the present deportation proceedings against members of the party, were framed by Department of Justice agents. Martens, he said, also, if permitted to testify, would prove complicity of Department of Justice agents in the summer bomb plots.

Continues Red Raids.

Pittsburgh, Jan. 9.—A series of raids were conducted by special agents of the Department of Justice at West Winfield late today and 23 men, alleged members of the Russian communist party, were arrested.

Party Too Expensive.

Cleveland, Jan. 9.—Abandonment of the communist party of Cleveland under a central organization closing of the party's offices and discontinuance of the official weekly publication were announced today simultaneously with announcement by the Department of Justice of three arrests of alien radicals charged with being identified with the party.

Discontinuance of the organization was decided upon because of the heavy expense incurred in bonding members held for deportation and in defending members in courts, party leaders declared.

Iowa Man Buys Prize Hog at Record Sale Of Poland China Sows

Chicago, Jan. 9.—A record sale of thoroughbred hogs was made when 38 Poland-China sows were auctioned for \$55,975 an average of \$1,554.84 each, at the farm near Lake Geneva, Wis., of William Wrigley, jr., who took 298 stock raisers as his guests on a special train from Chicago. The buyers were taken in motor cars and bobsleds from the train to the farm, where the sale was held in a steam-heated pavilion. Afterward a turkey dinner was served.

Ernest Melberg of Norway, Ia., paid the highest price, \$4,000 for a sow. Grover Sampson of St. Joseph, Mich., paid \$3,700. An offer of \$50,000 was made, but refused, for a prize boar for which Mr. Wrigley paid \$15,000.

Church Leaders Approve Budget of \$1,330,000,000

Atlantic City, N. J., Jan. 9.—The budget of the interchurch world movement to be used in co-ordinating the energies of the Protestant denominations for the evangelization of the world, was approved at the conference of 1,400 church leaders.

The budget calls for the expenditure of \$1,330,000,000 in the next five years. It provides for evangelistic work in America, and the foreign field, proper financing of hospitals and homes, liberal awards to struggling colleges, wages to both ministers and missionaries.

Three hundred and twenty millions are to be expended in 1920. Presbyterians and Methodists joined in protesting the original selection of the period between April 21, and May 2 as the time for the drive to raise this year's quota.

Arrest Former Colorado Minister on Mann Act Charge

San Diego, Cal., Jan. 9.—A man who said he was Eugene De Luca, and who federal agents say is a former minister in Colorado, was arrested at Tijuana, Lower California, and brought here by Walter Weymouth of the Department of Justice. He will be arraigned, Weymouth said, on charges of having violated the Mann act. With De Luca at the time, were a woman and four children.

Denver, Colo., Jan. 9.—A warrant for the arrest of Rev. Eugene De Luca and Miss Mary Colantonic, a church worker, was issued here Wednesday when a telegram was received purporting to tell of their arrest in Los Angeles.

Mexican Press Elaborates On Murder of Four Citizens

Douglas, Ariz., Jan. 9.—Sonora newspapers are giving prominence to a report said to have been received by the Department of Foreign Relations in Mexico City from consuls in the United States that during the last week four Mexicans were murdered in the United States without any punishment being visited upon the alleged slayer.

Aurora Awards \$346,000 Contract to Texas Firm

The city council has awarded the big paving contract to C. C. Chapin of San Antonio, Tex. The aggregate cost will be about \$345,000. Other paving districts are now being formed. It looks as though Aurora will be fully paved inside of two years.

Republicans of Missouri Meet May 3, Decision

Kansas City, Mo., Jan. 9.—The republican state convention in Missouri, at which delegates-at-large to the national party convention in Chicago will be named, will be held in Kansas City May 3, it was decided at a meeting of the republican state committee here today.

Building a New Electric Line From Odell to Diller

Beatrice, Neb., Jan. 9.—(Special.)—Workmen are engaged in building an electric line from Odell west to Diller. The current will be furnished from the Wymore plant. It is expected that the lights will be turned on within the next few weeks, provided the weather is favorable.
