OMAHA SCHOOLS LEAD 84 CITIES IN SPELLING BEE

Astonishing Number Found to Register 100 Per Cent On List of National Test.

Boys and girls of the Sixth A, Sixth B, Eighth A and Eighth B classes of the Omaha public schools are better spellers than pupils of the same classes in 84 other cities, according to a test given this week by Leon G. Smith, assistant superintendent of schools.

The tests were given to 4,304 boys and girls, and the words were the same that were used in other cities. Omaha's average percents are compared as follows:

Other Cities	Omaha
Sixth A.....	88.0
Sixth B.....	91.4
Eighth A.....	84.0
Eighth B.....	91.4

Separate lists of 20 words were used for the two classes of each grade, these words having been selected from a list of words most commonly used in 2,000 business and personal letters.

The most difficult word in the list submitted to the Sixth grade children was "view," the transposition of the vowels being the common error. The Eighth grade children misspelled "impossible" more times than any other word.

The following number of each class scored 100 per cent: Sixth A, 288 out of 1,245; Sixth B, 286 out of 1,029; Eighth A, 369 out of 1,155; Eighth B, 275 out of 775. Seventy per cent of the Eighth B pupils scored 90 per cent or higher.

Gets Five-Year Contract;

To Haul Garbage 22 Miles

Henry Pollack, who was awarded a five-year garbage contract by the city council recently, states that he will begin Saturday to haul garbage to a 200-acre hog-feeding yard located on the Burlington railroad, between Cedar Creek and Cullom and on the boundary lines of Sarpy and Cass counties.

"We are going to haul this garbage 22 miles on railroad cars, and I don't believe that Omahans will complain of the odor," he said.

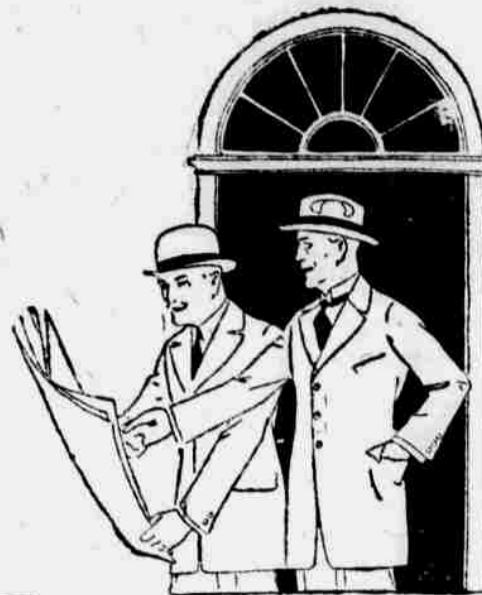

Persons who have complaints to make may advise the city health department.

TRUE!
—every word of it!

"I know it is, because I have tried it! If you are suffering—as I did—with a skin-trouble that itches and burns like mad, and is so unsightly that you dread to be seen; if you see trying—as I did—treatment after treatment without real help, then you can imagine how I felt when Resinol gave me instant relief and soon healed the eruption completely. My doctor prescribed it."
