In the region about Ago bay, in the province of Shima, the Bay of Gokasho Japan, as well as in other parts of the country, women are almost exclusively employed in pearl fishing and diving. They commence their work at the age of 14 and are in the water all the year round, except in the coldest season. But even during the cold period they sometimes dive for pearls.

F. & M. Shoes Sound the Keynote of Fashion

The dominant position occupied by F. & M. SHOES is no longer a matter of speculation. It is now accepted as a fact, that the creative genius of F. & M. Shoes is matchless, and that our footwear conceptions represent the last word in style.

Our latest creation for spring, 1920, is an all-over Velooze Boot.
