

### ALLEGED RIVALRY CAUSE OF RAID ON GREEK CLUB

Officer Peters, Single-Handed, Arrests Eight Members—Four Are Fined for Gambling.

Rivalry between two Greek clubs in the city is assigned as the reason why Policeman J. C. Peters, member of a Greek club on South Thirtieth street, raided single-handed the club rooms of the Demosthenes society, near Sixteenth and Chicago streets, members of the Demosthenes club asserted.

Four members of the club were fined \$5 and costs each in Central police court yesterday on a charge of gambling. Four other members of the club who were arrested were discharged.

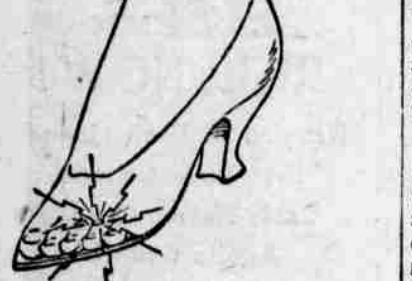

Policeman Peters testified that several card games were in progress with \$6 in change lying on the tables when he entered the rooms with drawn gun. Several of the players sought escape down a fire-escape, Peters said.

The following were fined: Pete Thompson, 316 North Sixteenth street, charged with being keeper of the place; Chris and Sam Paulos, Long Pine, Neb.; and Harry Maritas, 538 South Twenty-eighth avenue.

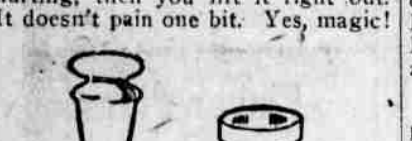

William Mellonis, Council Bluffs, Nick Limbris, 204 South Thirtieth street, Theodore Karos, 114 North Eighteenth street, and Harry Mitchell, 1311 Douglas street, were dismissed.

Young at Eighty

No power on earth can halt the flight of time, but in spite of years you need not "grow old." It's all a matter of keeping the body fit—strong, vigorous and healthy—so that it will arrest the effects of time. The approach of "old age" simply means the gradual decay of the body's organs and tissues. Keep the stomach, bowels, liver, kidneys, bladder, heart and lungs in good working order and Time's fingers will touch you lightly. At the first sign of breakdown, either physical or mental—if slight exertion makes you tired, weak, nervous or irritable—if your appetite lags, your digestion is poor, your sleep troubled and broken—in short, if you find that you're losing your "punch" and "pep" and physical energy—begin the building up process at once by taking

### Divorce Courts

Fred Heisser alleges in a petition for divorce filed in district court that his wife of a few months, Nellie Heisser, threw dishes and broke furniture and abused him. She went to Denver in October, 1919, saying she didn't intend to return to him any more, he says.

Joseph Wade, a butcher, has failed to support his wife, Bettie Wade, she charges in a petition for divorce filed in district court. She asks for custody of their three children, \$1,000 alimony and \$20 a week for support of the children.

James O'Meara says in a petition for divorce filed in district court that he will pay \$25 a month and allow his wife, Eva, to have custody of their daughter, if the court will give him possession of the daughter 30 days each year.

### WARNS OMAHANS OF POSSIBILITY OF 'FLU' EPIDEMIC

Prevalence of Colds Here Symptomatic, Declares Health Commissioner.

Dr. J. T. Edwards, health commissioner, states that prevalence of colds and catarrhal conditions in Omaha at this time are symptomatic of an outbreak of influenza.

"I am not predicting that there will be an epidemic of influenza, but I am convinced that conditions warrant me in warning people to be careful," he said.

The health commissioner stated that two definite cases of influenza have been reported this week and that four were reported earlier in the winter.

The doctor warns Omahans that colds are infectious and he urges isolation in cases of illness. He also recommends the use of a handkerchief when sneezing.

A British medical authority recently forecasted a recurrence of influenza in January.

Many cases of influenza have been reported in Chicago.

### City Council Ponders Over Repaving of Sixteenth Street

The repaving of Sixteenth street is again before the city council, the difficulty being to decide whether the repaving shall extend north of Victor avenue.

The council, more than a year ago, passed an ordinance creating a district on Sixteenth street, from Douglas street to Victor avenue, under provisions of a law which authorizes the council to order these improvements within one mile and a half from the city hall, without requiring petitions from property owners. The old asphalt pavement extends beyond Victor avenue to Wirt street, and it is the sense of some of the property owners to repave at least to Wirt street.

Another ordinance provides for a paving district from Victor avenue to Ames avenue, under the "main thoroughfare" act, but it is uncertain whether this act applies.

The street railway company has agreed to move its tracks from Seventeenth to Sixteenth street in connection with the repaving.

This repaving from Douglas to Wirt streets would draw \$33,000 from the intersection bond fund, which is limited to \$93,000, with \$20,000 deducted for contracts let last fall for work to be started this spring.

### Fur Coat Burglars Caught In Act In Farnam St. Store

Two men, caught while attempting escape at 4 yesterday morning after breaking into the store of F. W. Thorne, 1812 Farnam street, were bound over to district court in Central police court yesterday on charges of breaking and entering.

Both men, Henry Miller, Neville hotel, Sixteenth and Dodge streets, and William Davis, Dodge hotel, Thirteenth and Dodge streets, pleaded guilty and bonds were set at \$2,000 each. Six fur coats valued at \$1,500 which the two are said to have taken from the store, were recovered in the doorway of the place.

A squad of detectives responded to a burglar call and found one of the pair still in the store. He was unarmed. Davis was caught at Thirteenth and Douglas streets after a chase by Detectives Lahey and Hughes. Both prisoners told police they entered the store through a skylight.

### Westminster Church Names Committee to Plan New Building

Members of the Westminster Presbyterian church, at a special meeting Wednesday, named the following committee to work out plans for a new church building to be located at Thirty-fifth street and Woolworth avenue: Frank Anderson, A. L. Sutton, W. C. Bronson, Mrs. H. E. Maxwell and Mrs. R. F. Hanson.

It is proposed to erect a community house first on the new site and to worship in this building until the church shall have been constructed. The new church edifice will be of Gothic style of architecture.

The community house will be equipped with a gymnasium and other conveniences of an institutional nature.

Rev. Melvin R. Laird, the new pastor, is taking hold of the building project with interest.

### Census Enumerator Taken for Burglar; Dog Chews Reports

Al Keenan, federal census enumerator, reported to John H. Hopkins, supervisor, that he was mistaken for a highjacker at a house where he called to enumerate the occupants. After explanations Mr. Keenan was admitted.

Samuel Pollack, another enumerator, reported that his pet dog chewed up a lot of census papers which he had prepared.

Nine of 135 Omaha enumerators have completed their work, which must be finished not later than Monday.
