Members of New York State Assembly Under Fire Called "Hired Agents of a Group of Aliens" by Littleton.

Albany, N. Y., Jan. 21.-Investigation of the loyalty of the five suspended socialist assemblymen was asserted at their trial today before the assembly judiciary committee to involve the question as to whether socialists "can livpocritically mas-querade as a political party, strike hands with every agency of force and revolution and still make simple American people understand they are not the sworn enemies of their country and ready to overthrow it." This assertion was made by Martin W. Littleton, who withdrew temnotarily today as associate counsel or the committee to handle the case United States Senator Truman H.
