FARM HOME? Thousands are doing it this very minute; land values are going up. This is your chance to get a portion of the last cheap land in this great bread basket of the world. When you can buy 20 acres of good land for \$400 on terms of \$5 down, \$5 month, without interest or taxes, the biggest obstacle to many to own a farm of their own is overcome. We do not forfeit your contract if you cannot pay out, but give you what land you have paid for. Do you know of anything more fair? In sunny south Missouri, fine climate, good stores, good roads, good schools and neighbors and close to railroad town; no mineral or oil rights reserved. Write today, Marriam, Ellis & Beuton, 605 Minnesota Ave., Kansas City, Kan.
