DIDN'T KNOW ONE WELL DAY IN FIVE YEARS

President of Parent-Teachers Ass'n Says No Home Should Be Without Tanlac.

"It certainly is wonderful how quickly the right medicine will get a person to feeling right again," said Mrs. O. J. Wheeler, residing at 1431 Harrison street, Kansas City, Missouri, while discussing the merits of Tanlac, recently.

Mrs. Wheeler is president of the Parent-Teachers Association, Hamilton School District, a prominent member of the Woman's Bee Hive Auxiliary of Maccabees, also a graduate nurse, and is not only popular socially, but is active in all civic matters and is one of the recognized leaders among women in her community.

When asked if she was willing for her statement regarding Tanlac to be made public, Mrs. Wheeler said: "Yes, indeed, and you may tell them I am speaking from experience when I say I consider Tanlac by far the best medicine I have ever found. If I had not taken it I believe I would still be a sick woman, as I had just tried everything, and I am glad to make a statement that may be of some benefit to others who are trying to find relief."

"Five years ago I received injuries in a fall, which resulted in my health becoming very poor and I could get nothing to do me any good. Then in the Spring of last year I was taken down with the 'flu' and being already in a weakened run-down condition, the attack was extremely severe on me. I was left with no appetite and my stomach in a worse condition than ever. I could hardly eat anything without suffering intense pain and such a pressure on my heart that I could scarcely breathe. I was losing weight, had the worst sort of headaches and was so dizzy that I could hardly walk. I also had severe pains in the small of my back, suffered with heartburn, constipation and bloating, and never knew what a well day was."

"I had been reading the testimonials for Tanlac for some time and, as some of them were given by people of my acquaintance, I concluded to try the medicine myself. Well, it just seemed to suit my case exactly and has acted so differently from other medicines I have used. By the time my first bottle was gone I had a good appetite and the gas had stopped forming on my stomach. Then I bought another bottle, then another and so on and just kept improving until my ailments all disappeared. I am now enjoying better health than I have in five years. In fact, I am feeling unusually strong and well and all the praise, thanks and gratitude for this wonderful change in my condition belongs to Tanlac. If everybody knew its value as I do, no home would be without it."

Tanlac is sold in Omaha at all Sherman & McConnell Drug Company's stores, Harvard Pharmacy and West End Pharmacy, Also Forrest and Meany Drug Company in South Omaha, and the leading drug list in each city and town throughout the state of Nebraska.—Adv.

SIXTEEN CASES OF FLU REPORTED HERE IN ONE DAY

Health Head Says He Is Not Issuing "Scare" Orders, But Insists Everybody in City Be Prepared.

Sixteen cases of influenza were reported to the health office yesterday, bringing the total for this week to 25. Last week only one case was reported.

First three days of this week: Monday, 3; Tuesday, 1; Wednesday, 5.

At noon Dr. C. L. Shook reported six members of the family of Joseph Caddock, policeman, 2719 South Nineteenth street, stricken with influenza.

At several other addresses reported yesterday there were more than one affected with the disease.

Dr. J. F. Edwards, health commissioner, has been preparing for any situation which may develop in connection with a recurrence of this disease.

"I have not issued any statements or orders which might cause a scare, but I repeat that it is best to be prepared, and we are endeavoring to be prepared," the health commissioner said.

"We have learned the value of isolation and of the use of a handkerchief when sneezing. We know that influenza is contagious. The health department will enforce its regulations strictly in all cases reported. We believe in the theory that an ounce of prevention is worth a pound of cure. Colds should be given prompt attention. All cases of influenza must be reported to the health office by attending physicians or by heads of families."

Persons wishing information on influenza may obtain same by applying at the health office in the city hall.

The health commissioner is preparing to increase his staff of nurses, according to the necessities of the situation.

Cases of influenza have been reported from the following addresses during the last 24 hours, according to records of the health department: 2042 Fowler avenue, 202 North Twenty-sixth street, 1529 South Twenty-sixth street, 312 E. Beaudor apartment, 2002 Douglas street, 4510 West L street, 3848 Jaynes street, 1804 Van Camp avenue, 2212 South Forty-second street, 3175 South Thirtieth street, Forty-second street and Dewey avenue.

Special Session of City Council Today To Settle All Paving

The city council will meet this morning in special session to go over the paving program for this year. The limits of the intersection bond fund—approximately \$95,000—must be considered. There is much more paving work being urged than can be done this year.

The council probably will order the paving of Sixteenth street, Douglas street to Victor avenue, but it is not probable that Sherman avenue, north of Victor avenue, will be repaved this season.

Next Monday morning the council will again consider the St. Marys avenue-Howard street grading project.

Yeggmen Foiled In Attempt To Chisel Way Into Safe

Robbers attempted to get a safe in the soft drink place of T. J. Hart, 1604 Cass street, sometime during the night, according to a police report.

They gained entrance through the rear door and shattered the combination on the safe with hammers and chisels, but were evidently frightened away before they completed their work. No chemicals were in evidence.

Mayor Back From K. C. With Municipal Market Plans

Mayor Smith has returned from Kansas City where he obtained information on the operation of municipal market places. He hopes to establish a municipal market in the basement of the Auditorium next spring.

Community service is the outgrowth of the War Camp Community Service.

Former Omaha Visits Here—Mr. and Mrs. H. E. Wilcox of Fort Worth, Tex., are registered at the Hennahaw hotel. Mr. Wilcox is president of the Tex.-O-Kan Petroleum company, a million-dollar corporation, with a Texas charter and offices in Fort Worth. Mr. Wilcox may be remembered as a resident of Omaha in 1909 and 1910, and with this exception has been in the oil business all of his life. During their stay in Omaha the Wilcoxs will also be guests of Mrs. J. P. Finley in Woodworth avenue.

Hold Annual Meeting—The annual meeting of the Nebraska National Insurance company was held Wednesday at the home office, 1817 Douglas street. E. D. Beach, state fire marshal, was re-elected president and P. F. Zimmer was re-elected to fill his position as secretary and manager. According to the preliminary reports, the premium income for 1919 amounted to \$465,658.43 and the losses paid during the year amounted to \$202,000. The surplus over all liabilities, including reserve for unearned premiums, is \$64,658.54, according to the reports.

Fire Insurance Company Elected—The annual meeting of the Omaha Liberty Fire Insurance company was held Tuesday at the home office, 1817 Douglas street, and the following officers were elected: P. F. Zimmer, president and managing underwriter; George J. Adams and John A. Wachter, vice presidents; R. J. Wachter, secretary and treasurer. The reports submitted for the first six months of the new company show a premium income of \$155,929.33, and the losses paid during this time amount to \$44,987.35. A dividend to the policy holders of 10 per cent was voted on the policies expiring during the year of 1919, and also a dividend of 3.10 per cent to the capital stockholders of the company.

Two Men Held by Police For Theft of Machine And Running Gun Fight

Two arrests were made Wednesday in connection with the running gun battle early Wednesday morning between police and thieves who stole an automobile from E. L. Lotz, 5015 Cuming street, Tuesday night.

Both men gave their names and addresses as J. H. Kynner, 313 South Sixteenth street, and Orville Brunson, 707 South Sixteenth street. They are being held for investigation.

The arresting detectives say they have evidence that Kynner and Brunson were connected with the gang that stripped Lotz's car of its equipment on the road to Lake Manawa in Council Bluffs Tuesday night.

A squad of detectives in an emergency car engaged in a gun battle with the thieves from the Douglas street bridge to Seventeenth and Grace streets Wednesday morning when both cars chanced to meet. The occupants of the fleeing car escaped when it crashed into a telephone pole near Seventeenth and Grace streets.

County Commissioner Unitt Files for Spring Primaries

County Commissioner Charles Unitt filed in the office of Election Commissioner Moorhead yesterday for the republican nomination for county commissioner at the April primaries. Mr. Unitt has been filling out the unexpired term of County Commissioner Bedford, who died two years ago. Leo Hoffman was appointed to succeed Mr. Bedford until the next general election, at which Mr. Unitt defeated Mr. Hoffman. Mr. Unitt now declares his intention to run for another term of a full four years.

W. E. McMahon, 114 North Thirty-eighth street, filed for the democratic nomination for state representative.

New Omaha Tractor Firm Files for Incorporation

The Omaha Park Tractor company is the name of a new corporation for which articles were filed Wednesday at the court house. The authorized capital stock is \$100,000 and the officers are: B. C. Pilg, president and treasurer; T. W. Blackburn, vice president; Arthur Parsons, secretary and general manager.

"We are now making 10 tractors at the plant of the Omaha Structural Steel Works, Forty-eighth and Leavenworth streets, and it is our plan to put out about 1,000 tractors this year," Mr. Pilg said.

Car Stolen in Omaha Is Found in Fort Dodge, Ia.

A Cadillac car belonging to Luther Drake, 3910 Harney street, which was stolen Monday afternoon from Nineteenth and Howard streets, was recovered in Fort Dodge, Ia., Wednesday, according to word received by Chief of Detectives Dunn.

Alex Siskind, chauffeur for Mr. Drake, caught sight of the thief making away with the machine and took after him in a delivery car that happened along. The sedan disappeared from sight of its pursuer at Nineteenth and Leavenworth streets.

PORCH CLIMBERS ROB APARTMENT IN AFTERNOON

Overlook Silverware and Cut Glass in Daylight Raid On Home—Steal Clothing and Jewelry.

Burglars risked probable injuries Wednesday afternoon in climbing to a second story porch railing in the rear of the home of G. A. Bennett, No. 14, Flo Les apartments, Twentieth and Capitol avenue, during the absence of the family.

A rear window and a door were found partly open when Mrs. Bennett returned from downtown at 5:30 in the afternoon, and the interior of the rooms turned topsyturvy. Marks on the posts and railing of the porch showed the burglars had reached the apartment without means of a ladder.

Silverware and cut glass in the apartment were overlooked by the thieves. The loot comprised of two women's suits, six waists, three pairs of silk hosiery, silk petticoats, an overcoat, a dozen ties, two rings and a wrist watch, Mrs. Bennett told police.

Detectives investigated and are making the rounds of pawnshops in an effort to locate the stolen articles.

Says Husband Bathes Once in Three Months; Would Divorce Him

Anna Snyder, 2434 Camden avenue, alleges in a petition for divorce filed yesterday in district court that her husband, Frank T. Snyder, takes a bath only about once every three months.

He is a warehouse man for the Sinclair Oil Refining company, earns \$170 a month and has property worth \$7,000, an automobile and several hundred dollars, she says. They were married in Sioux City in 1908 and she charges that for the last nine years he has systematically scolded, abused, nagged and cursed her. She says he has slapped and kicked her.

When they were married he represented himself as a single man and corresponded with her before their marriage under the name, Richard Evans, she says. They were married and then she learned that he had another wife and several children. After he had secured a divorce from that wife they were married again under his real name, she alleges.

She asks for custody of their child and an order enjoining him from molesting her.

To Keep Skin in Fine Condition in Winter

It would be much better for the skin if little cream, powder or rouge were used during the winter term. These things which clog the pores tend to aid wind and weather in roughening and coarsening the skin. Ordinary mercurized wax will do more for the complexion, and without encumbering the skin to chaps, crack or become harsh and leathery. It is the ideal application for the season, as it not only keeps the skin clean, but daily removes particles of scurf skin which have been spoiled by winds or temperature. By constantly keeping the complexion clear, white and soft, it does more toward perpetuating a youthful countenance than any of the arts or artifices commonly employed. One ounce of mercurized wax, obtainable at any drug store, will completely renovate the worst complexion. It is applied at night like cold cream and washed off in the morning.

Why Girls Need REOLO

Every mother knows the danger of that critical period when her daughter approaches womanhood. She knows that the tenderest care is necessary and that her daughter's health and happiness, perhaps even her life are in the balance.

The wise mother will safeguard her daughter's health and not permit her to overstudy, overwork or undervalue her health by worry, social affairs and tasks that are too heavy for her strength.

The healthy girl becomes the strong, perfect woman—the successful woman—the happy wife and mother. It is every girl's birthright to be happy and healthy and mothers should watch this danger period and make sure that overstudy or overtaxing the strength does not sap the energy, deplete the blood, exhaust the nervous system and lower the vitality.

Girls who are pale, anaemic, nervous, languid—those who lack vitality—or are overtaxing their strength—need a SYSTEMATIC TREATMENT OF REOLO. It is a wonderful tonic and supplies the missing elements in the system, oxygen and reconstructive cells—cells that the body must have to maintain strength, energy and vitality.

The large package of REOLO contains 100 pleasant, tablet-like, enough for two weeks' treatment and only costs one dollar. It has given remarkably successful results for the systematic treatment of girls. Every package is guaranteed and your money will be refunded if it does not give complete satisfaction.
