### A Dress Suit and a Shave Wont Do It

To be at your best, you must feel at your best. The man that is magnetic, popular, successful is the one who radiates vigor and health. Nothing pulls a man down more surely than indolence than constipation. The poisons arising from the decaying intestinal matter take the color out of your face and the "pep" from your stride. Keep clean—inside as well as out.

By an entirely new principle Nujol will keep the poisonous waste moving out of the body. Every other form of treatment either irritates or forces the system. Nujol works on the waste matter instead of on the system.

Nujol prevents constipation by keeping the bowel waste soft, thus helping Nature establish easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world.

It is absolutely harmless and pleasant to take—try it.

Nujol is sold by all druggists in sealed bottles only bearing Nujol Trade Mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey), 30 Broadway, New York, for booklet "Thirty Feet of Danger."

### The Quick Way to Stop a Cough

This home-made syrup does the work in a hurry. Easily prepared, and saves about \$2.

You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few moments. It is cheap, but for prompt results it beats anything else you ever tried. It quickly stops the ordinary cough or chest cold in 24 hours. Fast relief, pleasant, harmless like it—and it is pure and good.

Put 2c. cups of plain in a pint bottle, then fill it up with plain granulated sugar syrup. Or, for clarified sugar syrup, use corn syrup, instead of sugar syrup, if desired. This you make a full pint—a family supply—putting in more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gets the work done. It promptly breaks the inflamed membranes that line the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and gives your cough stops or breaks. It is helpful for bronchitis, croup, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, famous for its healing effect on the membranes.

To avoid disappointment ask your druggist for "2c. ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.
