Omaha

**7 Per Cent Cumulative Preferred Stock at 100 and Accrued Dividend**

Our purchase and recommendation are based on these facts, which we quote from a letter signed by Charles H. Pickens, President.

There is an equity behind the stock of almost four million dollars. Book value is \$164. Net quick assets value, \$319.09 for each share of preferred stock.

The annual net earnings are five times preferred dividend requirements.

The reserve fund will reduce the amount of preferred outstanding by at least \$10,000.00 per annum.

The maintenance of net quick asset value at 175% of preferred stock, and surplus at \$2,000,000.

Limit of preferred stock and provision for no mortgage without the preferred holder's consent.

Proceeds from the sale of this issue will be used to finance the erection of the company's new factory and warehouse, and to meet the needs of their growing business.
