MAYOR SAYS PENNY ANTE NOT WORST THING IN WORLD

One-Armed and One-Legged Soft Drink Proprietor May Continue Business.

It isn't that a penny ante game is the worst thing in the world, but it is what it leads to, remarked Mayor Smith during city council meeting yesterday.

Police Commissioner Ringer recommended that the permit be revoked because Gray had been fined in police court on a charge of permitting gambling in his place.

Gray, residing in his own hotel, entered a little personal history, stating that he had been shot in the month by a highwayman, had been in two automobile accidents, and had been physically impaired to the extent of losing one arm, one leg, shattered four broken ribs, broken shoulder blade and a few minor injuries.

Commissioner Zimman aroused the choler of the mayor by stating that many soft drink places would be unable to keep open if they did not allow men to play games for 10 or 15 cents a game.

The soft drink permits of Sandberg, money, 2225 Q street, and Boyle Suptick, 5301 South Thirtieth street were denied.

Samota, proprietor of a Mexican rendezvous, insisted that he warned his patrons to abstain from gambling, but that they would not heed his importunities.

City Council Shelves Ure Rate Decrease Ordinance. The city council yesterday placed on file City Commissioner Ure's ordinance proposing a decrease in electric light and power rates.

How to Keep Baby Smiling and Well

See that the daily functions are regular and normal

YOU can't expect the little ones to be happy and playful when the head feels dull and the stomach bloated. The normal habit of children is to be happy and when you notice them cross and fretful you will usually find constipation is responsible.

Perhaps they have missed that daily function so necessary to comfort and health. Look at the tongue and see if the breath is bad. Watch for belching. These are the tell-tale symptoms of constipation. Tonight give a little of Dr. Caldwell's Syrup Pepsin, which you can buy at any drug store, and it will act in the morning and the troublesome symptoms promptly disappear.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin. Unlike the harsher physics it acts gently and without griping so that while grownups can use it freely it can also be given to a tiny baby with perfect safety. Thousands of American families would not think of being without a bottle in the house for the emergency arises almost daily when it is needed.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need it benefits have not used it. It can be got and sent free of charge for a trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.
