In Epidemies the germ tastens most readily on fruitful soil—a system that is in poor condition

Stoppage of food waste, and the resulting decay, generates poisons which are absorbed. by the blood, lowering its power of resistance to withstand the attack of outside germs such as influenza.

In plain terms, constipution encourages Liftdemics.

If you keep your intestinal passage clear and functioning regularly to get rid of this waste, vonr system will be kept in good condition to successfully cope with disease germs to which you may be exposed.

#### Do You Know Why Red Blooded Men Are Successful?

There are just two kinds of men the weak, thin blooded, bulf seek, discouraged kind, who lack an intion, strength and vitality—and the red-blooded, ambitions, self-reliant men-vigorous and successful. The strong, red-blooded, health

men who can stand the strain of hard work, and carry heavy responsibilities, without werry or fear, are the men who succeed.

Do you know why they are not blooded, full of energy and vigor? Do you know why they succeed? The blood supplies the material
