To the Citizens of **Omaha**

Have you contributed your full share toward the complete Americanization of this country?

Today, as never before, this glorious country of ours should be absolutely Americanized, thus stamping out the nefarious "isms" that are vainly trying to enmesh this country in a swirl of chaos and disorder.

With this in mind, Secretary of the Interior Lane has appealed to the motion picture theaters of America to present on Lincoln's birthday a special program bearing along this line.

Complying with this request, the
