

### DRINK COFFEE

If It Causes Indigestion, a Couple of Stuart's Dyspepsia Tablets Will Promptly Give Relief.

Indigestion caused by coffee is the same as indigestion caused by anything else. If eating food or drinking coffee makes you dyspeptic, all you need is Stuart's Dyspepsia Tablets, because they act with an alkaline effect which is just what the stomach does in health.

"I Surely Do Enjoy My Coffee! I'm Not Afraid to Drink It, Either, for I Have a Box of Stuart's Dyspepsia Tablets." Stuart's Dyspepsia Tablets mix with the food you eat. The stomach by its peristaltic action churns and moves the food around the stomach walls and the powerful ingredients in these tablets instantly begin digesting the food as they are forced through it and around it.

### GAS COMPANY READY TO ACCEPT PLAN OF MAYOR

Officials Declare Will Not Appeal Appraisal—Executive Wants Waiver—Commissioners Are Undecided.

W. H. Taylor, president, and W. H. Herdman, attorney, representing the Omaha Gas Co., yesterday advised Mayor Smith and Corporation Counsel W. C. Lambert that the company will not file an appeal in the event that the city elects to take over the gas plant at the appraised valuation of \$4,500,000.

Mayor Smith announced that he is ready to offer for consideration of the city council a resolution stating that the city will accept the terms of the appraisal, providing that the gas company will file a waiver of its rights to appeal; and the resolution further will provide that in the event such waiver is filed the department of accounts and finance shall prepare an ordinance for the issuance of bonds not to exceed \$5,000,000.

A canvass of the city commissioners indicates that a majority is not yet ready to express approval of the mayor's position, although the mayor stated his belief that his resolution will have the support of a majority in the city council.

"I told the gas company officials that we might as well be frank with each other; that if they would not signify a willingness to waive the right to appeal, I would offer a resolution that the city council should reject the appraisal of the court of condemnation," the mayor said.

### OFFICERS SEND FUSILLADE AT OMAHA RAFFLES

Spectacled Burglar Drops Bundle Stolen Hour Before When Sighted On Farnam Street.

A middle-aged, well-dressed, slender man wearing tortoise shell spectacles is being sought by police as the burglar responsible for numerous house prowling thefts committed in Omaha during the past week.

Policemen Ryan and Rice fired a fusillade of shots without apparent effect at the lone burglar at 11 Tuesday night as he darted behind a billboard at F. tieth and Farnam streets. The man escaped.

Passengers on a West Farnam street car were frightened at the reports of the shots, the policemen having fired at their intended victim as the car was turning at Fortieth and Farnam streets.

A bundle dropped by the man was identified as loot taken from the home of M. Sullivan, 4211 Har-

### WILLARD BATTERY MEN CALL OMAHA PLANT ONE OF MODELS OF COUNTRY

Omaha's Willard storage battery service station, Twentieth and Harney streets, is one of the model stations in the country, according to the verdict of 200 Willard station managers from Nebraska, Iowa, Kansas and Missouri, who closed a two day's convention here Tuesday night.

Their compliments after they had finished an inspection of the station certainly gave me a lot of satisfaction, but they were so strong I guess I blushed like school-girl," says Elmer Rosegren, Omaha manager.

The convention heard sales and efficiency talks from heads of departments in the Willard company's home offices, Cleveland, O.

Former Omaha Lawyer, Noted Poet and Author, Dies in N. Y. Word has been received in Omaha of the death of Lu B. Calk, 71 years old, poet and author, whose residence has been in Omaha, but who has been spending most of his time in Alton, N. Y.

### Creighton to Open College Of Commerce and Finance

Next fall Creighton university will open a college of commerce, accounts, and finance, with entrance requirements similar to those of the college of liberal arts. Classes in accounting, auditing, office management, credits, brokerage, traffic management and advertising will be taught by men who have had practical experience in the various subjects.

Most of these classes will be held nights in the University building at Twenty-fifth and California streets, according to present plans. Students who complete the four-year course will be conferred with a degree of Bachelor of Commercial Science.

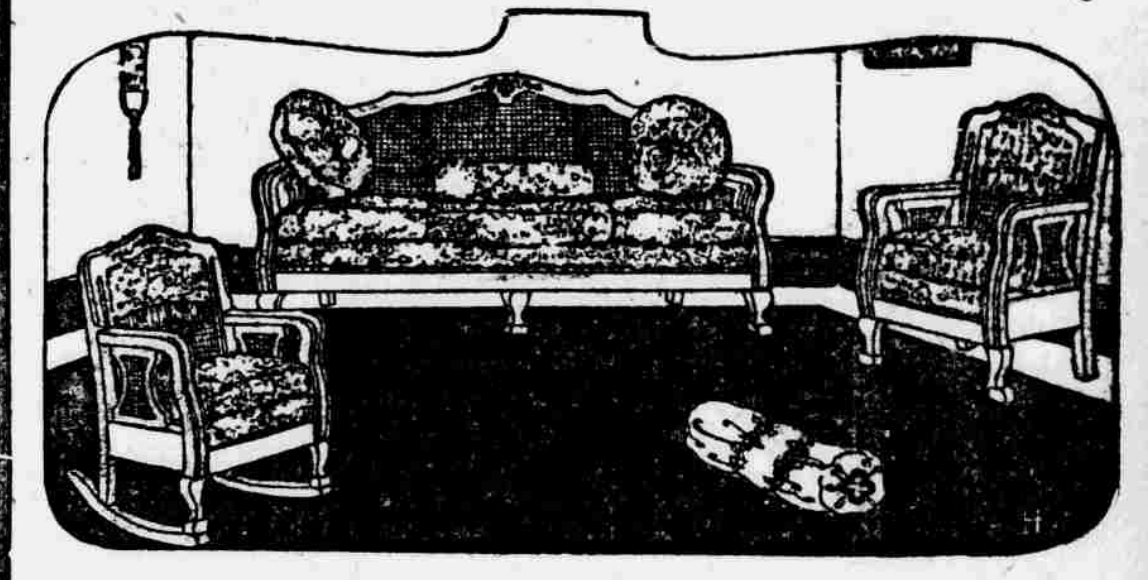

Water Board Joins In. Commissioner Butler is inclined toward the mayor's view of the situation. "I believe the company would be receiving more than the plant is worth, but even at that I am confident that the city will be able to reduce the price of gas materially," he said.

Commissioner Ure, Zimman and Towl are not ready to commit them-
