## Year Reviewed In Chicago

At the Friday session of the National American Woman Suffrage they were after, lay not in a con- association the work of all the officers and departments was summed but in irregular spots. The word, in up in the report of Mrs. Frank J. Shuler, corresponding secretary and

> The report included the Leslie Woman Suffrage commission, whose women, provides the national publicity department, the daily newspaper services, the weekly magazine called the Woman Citizen, and a data department; the National Suffrage Publishing company; the Women's Overseas hospitals, founded and maintained by the association, whose staff received French and English decorations; the League of Women Voters, which is launching forth on a big program of reform legislation; citizenship work, schools, books and outlines of

Of chief interest was the section much more complimentary. Raisa sang the title role in "Aida" in amendment with the first revelation of the strategy employed by the national association to secure ratification by the states. "In some states even the women think ratification was easily won because they do not know the efforts put forth from the national office," declared Mrs. Shuler. And she went on to tell of the floods of letters and telegrams, and the power of influence directed upon those high in political authority and the subsequent weakground in one of the most reward-ing spots. The presentation re-ening of governors who had been stored the faded glory of the com-poser, Bellini, and raised the acclaim poser, Bellini, and raised the acclaim of Miss Raisa to a new level. It state have suffrage and it will not provoked those listeners who have help us, the cost of a special session memories of the historic dramatic is too great, ill-advised legislation might beconsidered."

"There was a race between Illinois ounce. and Wisconsin for the first place on the ratification list," she said, "Wisconsin putting a special messenger on the train to insure its certificate being the first to reach the secretary of state and being further helped in afternoon, February 16, in the Hotel holding first place by the technical time. Illinois at least is distinctive The Omaha Society of Fine Arts in being the only state to twice ratify the amendment." She told of the legislators who paid their own expenses to their special sessions.
