## Old Ladies

I have carried these my preferences through life, and I still regard old ladies as angelic, in so much that I have never seen one that I did not revere. I do not know when they begin to look old to other eyes, but to mine they never look old, as old men look.

Very likely some of them may once have been silly, and some naughty, but they do not show it, while all the goodness and wisdom of their youth has grown upon them.

I should like to touch here, but barely touch, the thought of the dear and lovely lady which has all this time been in the back of my mind, as a supreme proof of the highest praise that could be given to aging woman, writes W. D. Howells in "Harper's Magazine." She was of the finest modernity in her love of the best things in literature and life, and could no more err in taste than in truth or the beauty which is one with it.

She is gone now, who was so lately here in such perfection of mind and soul that it seems as if she could never have left us who were privileged to share the bounty of her wisdom and grace.

### Half a Million Dollars Spent by Suffragists In Four Years.

No one has ever estimated the self-sacrifice, the weary hours and years of effort, even the laying down of life itself, which have marked the half century's campaign of the women of the United States for the ballot. But the cost in dollars and cents alone is a staggering one, as it appeared in the reports of the treasurer of the National American Woman Suffrage association, Mrs. Emma Winner Rogers of Connecticut Friday afternoon at the annual convention of the association.

During this year the association exclusive of the funds expended by its auxiliaries in the various states has handled \$99,124.57, expended \$88,218.98, and has a balance of \$10,905.59. In addition the association has collected this year \$93,592.36 for the overseas hospitals, which it founded and has maintained. Of this amount but \$61,171.19 has been expended, leaving \$32,421.67 on hand, the disposal of which the convention will decide. Since founding the hospitals in February, 1917, the association has raised \$178,002 for their support.

It is interesting to follow the sums of money which have been raised by the association in the first few crucial years. In 1915, the first year of Mrs. Roger's incumbency as treasurer, the sum raised was \$43,186. In 1916 the amount jumped to \$81,662. The next year saw another big increase to \$103,826, and the following year, 1918, the amount was \$107,736. The entire sum handled by Mrs. Rogers during her term as treasurer is close to \$500,000—\$433,989.

During this time legacies have been received from Mrs. Coggeshall of Iowa, Mrs. Buckley of Kansas, Mrs. Avery of Illinois, Miss Nelson of Minnesota and Mrs. Frances Fort Brown of Tennessee. These legacies Mrs. Rogers announced in her report have all been invested and only the interest used, the idea being to save the funds until their use was absolutely necessary and thus serve to keep alive the memory of the donors.

For silver, one and one-half teaspoonfuls ammonia in hot soap suds; wash with small brush and wipe with linen towel. To polish with chamois skin. Your silver will be bright and you will save the wear of silver polish. Jewelry and silver plate can be cleaned in the same way.

ning was spent in social amusements.

## Susan B. Anthony

Born February 15, 1820.  
By KATHARINE FISHER.

Her life is a luminous banner borne ahead of her era, in lead of the forces of freedom.

Where wrongs for justice call, High-hearted, far-sighted, she pressed with noble intrepid impatience, one race and the hall of another.

To liberate from thrall.

If now in its freedom her spirit mingle with ours and find us tottering at dusk to finish

The task of her long day, On ground hard held to the last, gaining her goal for women, if for her word we hearken.

May we not hear her say:

"Comrades and daughters exultant, let my goal for you be a milestone. Too late have you won it to linger. Victory flies ahead.

Though women march millions abreast on a widening way to freedom, trails there are still for women Fearless to break and tread.

"Keep watch on power as it passes, on liberty's torch as it travels, lest woman be left with a symbol, No flame in her lamp alive.

In the mine, the mill and the mart where is bartered the bread of your children, is forged the power you strove for, For which you still must strive."

Her spirit like southern starlight at once is afar and around us; her message an inward signing

Through all our life to run: "Forward together, my daughters, till born of your faith with each other and of brotherhood all the world over, For all is freedom won."

dancing party Tuesday evening given for the benefit of St. Bernard church.

George M. Hall of Columbus, Neb. is visiting his cousin, Mrs. Frank Kohlert, and Mr. Kohlert.

Mr. and Mrs. O. Arthur Melcher have purchased a home at 3620 North Sixtieth avenue and will take possession the first of March.

Mrs. Donald Tracy is recovering from a severe attack of tonsillitis, which necessitated the removal of the tonsils and a three weeks' stay in the hospital.

Mr. E. E. Paddock, who is traveling in the east, was "snow-bound" in New Bedford, Mass. for nearly a week. He reports that it took four hours for the train, consisting of three coaches, drawn by two large engines, to go from Providence, R. I., to New Bedford, Mass., a distance of 42 miles.

Mother! You must say "California."

### To Remove Discolored, Coarse or Chapped Skin

If your skin is chapped, rough or harsh, dab a liberal amount of mercolized wax on the face and allow it to remain overnight. Wash off with soap and water in the morning, fine flaky, almost invisible particles of cuticle come with it. Repeating this daily, the entire outer film of skin is soon absorbed, but so gradually, there's not the slightest hurt or inconvenience. Even the slightest complexion yields to this treatment. The underlying skin which forms the new complexion is so fresh and youthful looking you'll marvel at the transformation. It's the only reliable way to actually discard an aged, faded, freckled, blotchy or weather-beaten complexion. One ounce of mercolized wax, procurable at any drug store, is sufficient in most cases.

### You Need Strength

To overcome the coughs, colds and other external diseases of winter. Restore your vitality, improve your health, and get your system into proper condition. This is the only way to get your strength back. This is the only way to get your strength back. This is the only way to get your strength back.

### Wealth Cannot Buy Health or Youth!

All the gold and jewels in the world will not buy back health. It may patch up the broken down machine and make it last a little longer, but, as an eminent physician recently said: "In the end the old machine wears out."

The body is the most wonderful machine in the world. Its perfection is marvelous, but, like any delicately adjusted machine, it needs intelligent care. Health is worth more than untold wealth.

It has been demonstrated positively—that the human body is merely a collection of cells, and that health depends entirely upon the red blood cells—that carry the oxygen, which is absolutely necessary to maintain human life.

The cells of the body contain 12 different cell-salts—and the absence of these salts causes disease symptoms—just as lack of water causes a plant to droop and die.

These cell-salts attract and retain the oxygen, as it passes from the lungs into the blood, and repair, nourish, revitalize and maintain the health of the cells.

REOLO combines these 12 cell-salts so perfectly that they are easily assimilated by the blood. It has remarkable tonic and reconstructive qualities and furnishes to the blood the invigorating, organic iron—revitalizing, life-giving oxygen and reconstructive cell-salts that nature requires to maintain health, strength and energy.

Don't neglect your health. It's easier to "keep well" than to "get well"—and much less expensive. If you are not feeling well—take the systematic REOLO Treatment that makes rich red blood vitalized with life-giving oxygen and the cell-salts that Nature must have to keep the body strong and healthy.

## QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards' produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime.

Thousands take them every night just to keep right. Try them, 10c and 25c
