### Nature's Strong Man IS THE MAN WITH FRESH, RED BLOOD

The stomach is the center of the body from which radiates our vitality, strenuosity, our fighting strength. A healthy stomach turns the food we eat into nourishment for the blood stream and the nerves. Dr. Pierce's Golden Medical Discovery refreshes and tones up the stomach walls. Removes the poisonous gases from the system.

The first day you start to take this reliable medicine, impure germs and accumulations begin to separate in the blood and are then expelled through the liver, bowels and kidneys. Get Dr. Pierce's

way is to get the ready-to-use preparation improved by the addition of other ingredients a large bottle, at

just dampen a sponge or soft brush with it and draw this through your

hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another applica-
