

DUEL OF FATHER AND HUSBAND IS STOPPED BY GIRL

Omaha Elopement Foments Anger of Parent—Father and Groom Unreconciled In Police Court.

Dark-eyed Nettie Teakell Sesto, 17-year-old bride of one week, prevented a gun duel between her husband, Tony Sesto, 1901 South Fourteenth street, and her father, W. E. Teakell, 223 Dodge street, Thursday night at the Teakell home, when husband and father drew guns on each other, police authorities say. Police were called and arrested Tony for carrying concealed weapons. He was fined \$25 and costs in Central police court yesterday. Mr. Teakell alone appeared against him. The young wife waited at her father's home for the return of her husband from police court.

Nettie's elopement last Saturday with Tony caused the anger of the father, police claim. The young couple were married at Papillion, Neb. When Mr. Teakell reported his daughter missing to police Thursday he learned she was married to Tony. Upon request of the father, Tony and his young wife visited at the Teakell home early Thursday night for an interview with Mr. Teakell.

Nettie warned her husband to carry a gun, according to Tony. "I know father is awful angry at us," he says she told him. As the young couple entered the Teakell home the father is said to have reached for his gun and Tony followed his example. Nettie, the peacekeeper, stepped between them, grabbing her father's hand, which she claims held a loaded gun. She swept Tony testified in police court yesterday, and husband and father put down their guns.

Mr. Teakell called police and accompanied his daughter and son-in-law to Central station. Police held Tony. Silently weeping, his young wife left the station with her father. Mr. Teakell refused to be reconciled with Tony in police court Thursday.

QUESTION ARISES OVER FILING FEE FOR CONVENTIONS

Meanwhile, Candidates From County Must Deposit \$5—Test Case Soon.

Must a candidate for the county convention under the Reynolds law, passed by the legislature, pay a filing fee of \$5? This is the question which Election Commissioner Moorhead yesterday asked Chief Deputy County Attorney Coffey to decide.

The new law provides for election of delegates to the county conventions of the big parties, one man and one woman being elected from each precinct of each county. It is designed to eliminate "hand-picking" of the county convention.

But nothing is said of a filing fee. The statutes of the state stipulate that fees shall be paid by candidates filing for offices at the primaries as follows: For United States senator, \$50; for state offices, member of congress and district judge, \$10; for county, legislative and city offices, \$5.

Doubts Necessity of Fee. "Is the office of delegate to the county convention of a political party, a county, legislative or city office? That is the question to be decided," said Mr. Coffey.

"The statutes provide that no filing fee shall be required from candidates for regent of the state university or for presidential elector. My own personal view from a cursory examination of the subject is that no fees can be demanded from candidates filing for delegate to the county convention. However, I have asked to have the whole subject presented in writing and will then give a definite decision after looking up all sides of the question."

Those who sponsored the bill say it was an oversight that no clause was put into it providing that no filing fee need be paid by candidates for this office, which pays no salary. It is admitted that if a filing fee is demanded there will be no candidates for the offices.

Two Seriously Injured as Car Turns Completely Over

Two men were seriously injured when the automobile in which they were driving north on Twenty-fourth street at noon yesterday turned completely over at the corner of Arbor street and threw them on the pavement.

Philip Christina, driver, 2116 Pierce street, was cut about the head and legs. His companion, Mark Valone, 1415 William street, sustained cuts on his head and was internally injured. The men were taken to their homes for surgical attention. The car was wrecked.

SECOND ARREST IN PROBE OF THEFTS AT FORT IS MADE

Army Officers Accuse Man of Buying Government Property.

Captains A. C. McKinley and F. J. Durrenschmidt of Fort Omaha, conducting an investigation into the reported thefts of regulation army revolvers and clothing from the quartermasters' department at the fort, arrested a man giving his name as Eugene Hyse, 211 North Fourteenth street, Thursday night.

Hyse is charged at Central police station with buying government property. This is the second arrest made by the army officers since the investigation began.

John Chorva, 1906 Capitol avenue, is also being held for investigation in connection with the sale of army revolvers.

According to city detectives, who are working in conjunction with Captains McKinley and Durrenschmidt on the case, soldiers at the fort are suspected of disposing of the stolen guns and clothing to "fences."

Chorva was arrested Thursday noon in an alleged attempt to sell an army revolver stolen from Fort Omaha a month ago, identified by the captives.

She was arrested upon an investigation charge. Zelma spent Thursday visiting at her sister's home. In the evening she phoned her family and asked to have someone meet her at the end of the Benson car line.
